PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Accountant-General, Madras, No.1753, dated 7th May 1898:—

A With reference to para. 3 of Government order No.991, Financial, dated the 30th of November 1897, I have the honour to state that all District Magistrates were asked to report their opinion as to the maximum rates to be fixed for the incurrence of charges for "Diet &c., of wounded persons sent by the Police or Magistracy for treatment in hospitals". The opinion of the several District Magistrates however differed widely as will be seen from the accompanying papers forwarded for perusal and favour of return. I therefore submit the question for the orders of Government with reference to paragraph 4 of the Government Order quoted above.

-----000-----

O R D ER:-No.834, dated 27th May 1898.

In view of the great divergence of opinion as to the maximum rate which should be fixed, the Government considers that the proposal to establish a uniform scale of charges for the diet of wounded persons sent to hospitals by the Police or the Magistracy must be abandoned.
