cover this expenditure. About Rs 20,000 have been allotted for ordinary improvements & repairs and two sums one of Rs 6311/9 and the other of Rs 5858/12, have also been allotted from the provision under Petty Construction & Repair for urgent works at the Rajahmundry Central Jail. Vide G.Os. Nos. 697 & 698, dated 29th April 1898. If the Rs 3365-2-2 for the Cuddalore District Jail is also met from Petty Construction & Repair, a further transfer from Manufactures will be made, and no application for additional funds will be made to Government till the progress of events shows, towards the end of the official year, whether or not additional funds are necessary. But the adoption of this course will unavoidably increase the expenditure under Petty Construction & Repair to a point a good deal above the original Budget provision under that Subhead.

I have the honour to be,
Sir,

Your most obedient servant,

R. G. Cardew.
