Exchange Compensation Allowance

FOR ORDERS.

d/24th June 1897 D

In paragraph 8 of Finance and
Commerce Dept. resolution No.2422-Ex.,
d/31st May 1897, the Govt. of India
declared that as regards the new ex-
change compensation rules the Survey
Dept. was a department in which a pro-
portion of Europeans is indispensable.
Last November in submitting a list of
officers appointed in India, regarding
whose eligibility to exchange compensa-
tion allowance the Acct. Genl. had
doubts (vide his letter on page 1 of
G.O.No.1005 Finl., d/3rd Decr. 1897)
the ~~Acct. Genl.~~ ^{officer} (para 3 *etc*)
drew attention to the
fact that Messrs. Gompertz, Lushington
and Mullins of the Survey Dept, (Nos.
125, 131 and 132 in his list B, which
contained the services and departments
in which the Govt. of India had already
declared European qualifications to be
indispensable) ~~had~~ ^{then} held the appointment
of Forest Settlement Officers but that
these latter appointments ~~had~~ ^{had} not been
included

included in the departments in which a proportion of Europeans had been held to be indispensably necessary. He therefore enquired whether, in the case of officers transferred from departments coming under class A or class B of the Govt. of India resolution d/31st May 1897, -i.e. services or departments in which European qualifications are indispensable or in which a proportion of Europeans is held to be indispensable - to departments not coming under either of those classes exchange compensation allowance should be continued. In passing orders on the ~~replies~~ ^{to the Accts} replies from the Sectt. Depts., it was decided to place the point raised by the Acct. Genl. before the Govt. of India, which was accordingly addressed in letter No.483, Finl., d/26th May 1898. It was there stated that in the opinion of I.E. the Governor in Council the allowance should be continued in the case of officers who were transferred temporarily in the foregoing manner; but that when an officer is permanently transferred to a department in which he would not have drawn the allowance if originally appointed to that department, he should cease to draw it.

2 The Govt. of India now requests to be furnished with the particulars of the case which has given rise to the reference. It may be noted that another case of the same nature

as those of Messrs. Mullins etc. is that of Mr. Woodhouse who was appointed Second Asst. to the Chief Secretary. This is dealt with in paragraph 5 of G.O. No. 482, Finl., d/26th May 1898.
