Sir,

With reference to your No. 808, dated 27th March 1898, herewith returned with its enclosures, I beg to inform you that the Padi-Kattu tharai Odappu, which was all buried under the bank, was said to be only 10 ft. in length, and so I said that the probable cost was Rs. 150. Now on opening the bank, it is found that the masonry is clear 20 feet long with its floor about 3 feet below channel bed level. Hence the difference in the probable cost.

2. The estimate is herewith returned.

I beg to.
