PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Director of Public Instruction, Madras,
No. 4737, dated 25th April 1898:—

I have the honour to request that you will be good enough to obtain the sanction of Government for the following proposals regarding the revision of the menial establishment of the Reformatory School, Chingleput, with effect from 1st January 1898.

2. The menial establishment of the school at present consists of seventeen members of whom four are Toties on monthly salaries of Rs. 5-8-0, Rs. 5/-, Rs. 5/-, and Rs. 4-8-0, respectively. Since the constitution of the Chingleput town into a Municipality there has been a great demand for the services of Toties as that Corporation has employed almost all the available Toties in the town. The monthly salaries paid to these Toties by the Municipality range from Rs. 5 to Rs. 6 and thus exceed the salaries paid to the 4 Toties employed in the Reformatory School. The Superintendent reports that in consequence, there has, of late, been great difficulty in inducing the School Toties to stick to their posts and that of them have already absconded for the simple reason that their salaries are lower than those of the Municipal Toties. He therefore recommends the following scale of salaries with a view to secure the services of the Toties permanently and to prevent them from absconding and resigning their posts and some of them have done of late.

Head

Head Toti.-----Rs.6-0-0.
2nd Toti.-----" 5-8-0.
3rd Toti.-----" 5-0-0.
4th Toti.-----" 5-0-0.

3. The Superintendent's proposal involves an additional expenditure of Rs.1-8-0 per mensem for which provision has not been made in the budget estimate for 1898-99. But as the increase is very small and is recommended on grounds of sanitation and cleanliness-- matters on which too much care cannot be bestowed in a school in times of epidemic,--I request that Government may be pleased to sanction the Superintendent's proposal. For the present there will practically be no increase of expenditure, for arrangements have been made with the Municipality for the removal of night soil from the school premises and hence the place of one of the 2 Toties who have absconded need not be filled up unless urgent occasion arises. The full strength of the menial establishment will be necessary only when an epidemic actually breaks out or when it threatens to do so.

4. The necessary proposition statement is submitted in duplicate.

The proposal of the Director of Public Instruction is approved and the proposition statement will be transferred to the Financial Department.
