I have the honour to submit for the sanction of Government an application for charges amounting to Rs. 27-14-0 for conveyance of camp equipment by rail under Article 1093 Civil Service Regulations while proceeding to Malappuram on duty.

It was impossible to send it by road such a long distance.

I have the honour to be,

2. The statement enclosed in the current shows that Mr. Stuart left Madras on the 30th of March and arrived at Tirur on the 14th April, leaving that station on the same day. Had his camp equipment been carried by road, it would have arrived 11 days after him at Tirur, and would have been ^{apparently} practically useless for the purposes ^{in which it was} ~~he~~ required ~~it for~~. The statement is not so clear about ~~this~~ return journey as it shows that Mr. Stuart left Feroke on the 19th of April and arrived at Madras on the 24th of May and that had his camp equipment been carried by road at the rate of 15 miles per day from Feroke to Madras,

Let it lie until the first quarter
comes back from circulation.

May 28.

Madras, it would have arrived on the 17th of May. The Acct. Genl. in forwarding the application points out that it does not appear from the details given in the printed statement that public interests would have suffered if Mr. Stuart had sent the camp equipment from Ferok to Madras by road instead of by rail and Mr. Biggs is of opinion that the charge from Ferok to Madras is inadmissible under Finance and Commerce Dept: resolution No.1603 Ex., d/10th April 1896, on page 1 of G.O.No.320 Finl., d/8th May 1896. According to the strict letter of the rules the Acct. Genl. appears to be correct.
