To
The Collector of North Arcot.

Sir, With reference to your footnote reference on C.O. No. ¹⁰³ Eng of 98 dated 8th March 1898 to Board's Reference No. 232, dated 3rd March 1898, I have the honor to inform you that the above communication reached me only yesterday as I was out on leave, though despatched on the 10th of March 1898, and hence the delay in submitting my explanation. When I sent my camp equipment by rail, I was under the impression that it would be needed at Madura as soon as I reach the place. I was not aware that it would be required 20 days after, nor was I informed of it before I left Chittoor. I thought the tents would have to be pitched at any moment; hence the necessity for taking the camp equipment by rail.

2. I beg to submit the same explanation for my return journey also.

3. The enclosure received with the footnote above referred to is herewith returned.

Board's proceedings No. 4517,
d/25th Novr. 1897, sanctioned payment
of Rs. 35/4 being the charges incurred
by probationary Dy: Collector Vijia
Raghunatha Dorai Raja for the convey-
ance of his camp equipment by rail
from Chittoor to Madura and back. The
Acct. Genl. in his letter in G.O. No.
131 Finl., d/12th Feb. 1898, pointed
out that no explanation was afforded
as to the necessity of sending the
camp equipment by rail and that on the
other hand the particulars furnished
by the Board showed that the camp
equipment if carried by road would
have arrived before they were actually
required for use. Upon this the
Board was requested in G.O. No. 131 Finl.,
d/12th Feb: 1898, to obtain and for-
ward the explanation of the probaton-
ary Dy: Collector as to the necessity
for

for taking the camp equipment by rail.

The present current contains the probationary Dy: Collector's explanation. He states that when he sent his camp equipment by rail, he was under the impression that it would be needed at Madura as soon as he reached that place. The Board admitted the claim as the Dy: Collector could not foresee when he would require the tents for use. The Acct. Genl. considers that there are no special circumstances connected with the Dy: Collector's transfer which entitle him to the advantage of article 1093 of the C.S.R.

Orders are solicited.

I think the Dy: Collector's explanation must be accepted. He was armed fully equipped for duty & able to proceed on any service to which he might be sent and as he says he could not foresee that he would have to pitch his tent on arrival. I think it was in the interest of the public service that he should sail his tent & horses and that the charge be the person.
