With reference to Government Order No. 452, dated 16th May 1898, Financial, I have the honor, by desire of the Right Reverend the Bishop, to say that he does not consider that the number of copies of History of Gazetted Officers in the Madras Presidency supplied to his Department can be reduced. His Lordship certainly needs one copy, and as the Venerable the Archdeacon is his Commissary and he and the Bishop are frequently separated it is very necessary that he also should be provided with one.

II. Letter from the Supt., Madras Survey, No. 78/G. d/29.6.98 (C. No. 4689 of '98).

To the Under Secretary.

In the paper marked I above, the Financial Department while inquiring whether the number of copies of the "History of Services of Gazetted Officers" at present supplied to Government Departments and officers could be reduced, expressed the opinion that the number of copies supplied to at present to the Superintendent, Madras Survey might possibly be reduced by one. The matter was accordingly referred to that officer for report.

G.O. No. 2593 d/17.6.98 B

2. The Superintendent now replies (vide paper marked II above) that he wants the two copies now supplied to him as one is required for use in the Central Office and one for use in camp. ~~It is therefore submitted that no reduction appears possible in that direction~~

3.

3. In this connection attention is respectfully solicited to the fact that the three copies of the publication (supplied now) to the Revenue Secretariat are not sufficient for the use of the office. As one copy is left behind in Madras and as the other two copies brought up are placed in the Secretary's and Under-Secretary's rooms, the office at Ooty has to manage without a copy. The clerks (and especially the Head Clerk) have constantly to refer to it and it is therefore submitted that the Financial Department may be requested to supply an additional copy of the publication for the use of the office.

Secy

One copy would no doubt suffice for the Supt of Survey but the economy is very trifling & hardly worth making. I think we should have 4 copies 1 for Secy 1 for U.S. 1 for Ooty Office & 1 for Madras Office. The Secretariat takes 9 copies.

Yes: the convenience is more important than the trifling economy involved in the present instance

History of Services of ~~Or No~~ Gazetted Officers

NOTE FOR THE CA.

In E.O. No. 452 Fin. dt. 16.5.98, Depts & Offices were requested to report whether the no of copies of the History of Services of Gazetted Officers at present supplied to them could be reduced. The majority of the ~~seventeen~~ replies have up to date come in and ~~ten~~ more are due.

According to CA's instruction in C. No. 1777 (E) the replies received up to date have been tabulated & perhaps the result of the tabulation shows that the following reductions are recommended:—

(noted in the margin)

	Present Subscr.	Future Supply	Reduction
Presy: Magte. (Black Town)	1 —	nil	1
Asst. S. P. of Police	2 —	1	1
Supt. Arch: Survey	1 —	nil	1
Accts Dr.	13 —	12	1
Secy: to Bd. of Rev. (Settlement)	3 —	2	1
Subjudges	—	nil	13.

Thus the reduction reported practicable to date is only three ~~seven~~ ~~ten~~ more replies are due.

As the book is in 1896 is under preparation it is advisable to issue orders in this respect as early as possible

~~due and fines reduction~~
~~may be reported practicable~~

It is submitted that the request of the Resdt. cannot be complied with. The publication is not one which the Asst. Resdt. can require very often, if at all, for reference.

The D. P. W. states that the Principal of the Presidency College requires a copy of the publication in view of the large number of gazetted officers in the College. This supply may perhaps be allowed to continue.

The Revenue Dept requires an extra copy. The draft order provides for this.
