REGISTRAR OF BOOKS,

To

Hon'ble Sir,

I have the honor to forward for transmission to the British Museum, London, a case of all the books selected by the Librarian from the catalogue for the third quarter of 1897.

2. A List showing the contents of the case with the catalogue referred to above has been packed up along with books. It includes a copy of the second edition of the "Life of Her Majesty Queen Victoria" in Telugu neatly printed, <sup>illustrated</sup> and bound in calico which the author has presented with a copy of the first edition called for by the Museum authorities. A duplicate copy of the list is also submitted for the information of Government.

3. A complete volume of Sri Valmiki Ramayanam has been procured and supplied as desired by the Museum Librarian. But in the case of

of Brahma Vidya Patrika, I beg to state for the information of that officer that Nos 9 to 20 of Vol: I were already supplied with the Consignment of books for the second quarter of 1897 (in which they were marked) and I hold the acknowledgment of Mr. Douglas of the Museum dated the 1st June 1898. No 1 including the numbers of the serial publication in question but again claimed along with books in the present collection & therefore not supplied.

I have the honor to be,  
Honible Sir,  
Your most obedt<sup>o</sup> Servt<sup>t</sup>

C. No. 1963.

NOTE FOR THE C. A.

In para 3 of the Current, the Registrar of Books says that the Museum Authorities have marked nos as required by them, not certain nos. of the Brahma Vidya Patrika, in the Catalogues for both the second & the third quarters of 1897. The Regr. says he has included the nos. of the Periodical within the other publications claimed in the Catalogue for the second quarter of 1897. These were forwarded with

A  
G.O. Nos 111 & 112 Dtd 7.2.98

The Regr. has therefore omitted to include them in the present Consignment.

It is submitted that the double entry claim in

P.F.O.

12.8.98

on the part of the British Museum must have occurred in the following manner. In the Catalogue for the second quarter the books publications were claimed and <sup>before</sup> they had been received, the Catalogue for the third quarter came to hand. ~~and the~~ <sup>publications therefor</sup> were marked in that Catalogue also.

A somewhat similar case of double claiming occurred in the case of the "Engineering Works of the Godavari Delta". Please see note to G.O. No. 112 <sup>A</sup> 1/2 Feb 5.2.98. In that case, the India Office was told that the books claimed for ~~by~~ the British Museum had already been forwarded.

Submitted that the same intimation may be given now also. Drafts submitted <sup>considered</sup>

\* They were sent only in Feb. 1898

Copy to  
No necessity. The Registrar's letter is sent and the Museum authorities will understand the case.

C.A.

L In the despatch from the Secy of State disposed of by G.O. No. 2264 Pub. of 17.11.89, it was said this Govt. was requested to give publicity to the fact that Messrs. Shacker, Spink & Co. of Calcutta and Messrs. Shacker & Co. of Bombay are the Agents for forwarding books presented by Authors and publishers to the British Museum.

The Govt was also asked to help in forwarding these donations.

E

also referred to <sup>also</sup> in para 6 of the letter from India disposed of by G.O. No. 584 File of 27.5.92. Accordingly a notification was published in the gazettes the public were

12.8.98

informed that of the Agents and it was also ~~stated~~ offered that if Cases of books intended for presentation to the Museum were forwarded to the Finl. Dept., the Cases would be duly sent on by post to the Museum.

In para 2 of letter from India disposed of by G.O. No 797 Finl & S. & G. 92 H. the instructions as to the Agents, were withdrawn and it was stated that the agent <sup>at Madras</sup> for forwarding donations of books to the British Museum is the Registrar of Books. The ~~previous~~ first part of the previous notification (E) was accordingly cancelled by a subsequent notification (G).

Thus there are really now two agencies for forwarding donations of books to the British Museum - viz

No only me.  
The Financial Dept

- viz: -
1. The Finl. Dept.
  2. The Registrar of Books.

In the present case, the first edition of the book <sup>(Life of Her Majesty in Telugu)</sup> was inserted in the Catalogue for the third quarter of 1897 (F). The Museum Authorities claimed it ~~to be~~ despatched into enclosure in G.O. No 560 Finl & S. & G. 90. The book is accordingly included in the present Consignment. But in the meanwhile a second edition of the work seems to have issued and the Author presents a specially bound copy of it to the British Museum. The Registrar being an Honorary Agent of the British Museum includes the donation in the Consignment and makes special mention of it in the second para of his letter.
