SIR,

True
The Indents for School Books and Materials required by this Department were forwarded to Messrs Baker and Co., London, by the Controller of Military Accounts, Madras Command, with his letters Nos.2446 and 2522 dated 9th and 15th July 1898 respectively. Owing to a miscalculation (61) sixty one sets of "G.W.Bacon and Co.'s Natural History pictures on cloth rollers and varnished" were indented for ^{in each} instead of (14) fourteen sets, the actual number required. The Controller wrote to Messrs Baker and Co on the 4th instant to substitute 14 for 61 sets but expressed his inability to wire to the firm as he is not authorized to send foreign telegraphic messages. I have therefore the honour to request the favour of your forwarding a telegraphic communication to Messrs Baker and Co directing them to reduce the demand in question in the indents quoted from 61 to 14 sets. The cost of 61 sets is about £ 32 - 7 - 0.

2. The error in compilation was made by the Manager who is now on leave. He will be required to pay the cost of the telegram should Government so direct.

I have the honour to be,
