Proceedings of the Board of Revenue
Revenue Settlement, Land Records & Agriculture
No 4576 Miscellaneous dated 27 July 1898

Read the following letter from Mathew Young Esq. J.C.S.
As Collector of the Chingleput District, Reps
On No 571 of 98 dated 19 July 1898 :-

4237ml
6.5.98
"Sir I have the honor to state that
in Board's Proceedings No 145, dated 6 April
1898 Messrs, an amount of Rs 5000 has been
allotted for this year for the Chingleput
District for loans under the Land Improve-
ment and an amount of Rs 500 for loans
under the Agriculturists Loans Act. If
the season had been favourable, these
allotments would have sufficed. But
the North-East Monsoon having proved
a failure last year and the present
South West Monsoon also having so far
been very deficient in the northern part of
Ponnai Taluk and in parts of Tiruvallur
Taluk, the ryots in these Taluks are
applying eagerly for loans in order to
improve their lands and private irriga-
tion sources. In the Ponnai Taluk
85 applications involving an amount
of Rs 16,375 and in Tiruvallur Taluk 30
applications comprising Rs 7,530 are
pending disposal under the Land Improve-
ment Act. As many as 269 applications
are also awaiting disposal in the Ponnai
Taluk under the Agriculturists Loans
Act for an aggregate amount of Rs 14,542
for the purchase of cattle and seed grain
to extend the cultivation under seed
grain wells. The timely granting of
loans will not only help the ryots
to improve their lands and the irriga-
tion sources, by which the lands
are commanded, but will also go a long
way towards providing labour for the
poorer

CURRENT NO. 2722
poorer ryots and coolies in their own
villages and thus enable them to procure
their livelihood much more easily than
they would otherwise be able to do. I would
therefore strongly urge the granting of
further allotments for this District under the
Land Improvement and Agriculturists Loans
Acts. Rs 15,000 under the former Act and
Rs 5000 under the latter act will suffice
for the present. I request the favour of
very early orders in the matter.
Read also the following telegram ^{to the Collector} to the Collector
of Madurai dated 22 July 1898 :-

"Please wire whether you can surrender
a further sum of Rs 20,000 or smaller amount
from current year's grant Land Improvement
Loans. Amount wanted elsewhere."

Read also telegram from the Collector of
Madurai, dated 26 July 1898 reporting
that he could surrender a further
sum of Rs 20,000 out of the allotment under
Land Improvement Loans for the current year.

Resolution
The additional allotment of Rs 20,000
applied for by the Collector of Chingleput in
his letter read above, for advances under
the Loans Acts is sanctioned by me -
Appropriation from the allotment for
Madurai.
