SUPERINTENDENT OF STATIONERY,

MADRAS,

To

The Chief Secretary to Government,

Financial Department,

Ootacamund.

SIR,

I have the honour to bring to your notice that owing to the introduction of the system of Anthropometry into Government Offices, ^a large quantity of rubber tubing which was obtained specially from England for making Cyclostyle rollers etc., has been utilised, and there is at present a considerable demand for more of it.

2. The Superintendents of Stationery at Calcutta and Bombay were requested to state whether they could spare any rubber tubing from their stores, or obtain it locally. The former replied in the negative, and the latter stated that he could procure from the Superintendent, Central Press, at Bombay ten lengths of tubing, at a cost of Rs. 254-7-9. Under the above circumstances and as the demand is urgent I request that the Government will be pleased to accord its sanction to the purchase of these ten lengths of tubing. The favour of early orders is solicited.

I have the honour to be,

Sir,

Your most obedient servant,

J. N. Atkinson

Superintendent of Stationery.
