READ— letter from E. B. Elwin Esquire, Acting Collector
of Ganjam, dated 22: April 1898, Dis. No.
471 of 1898
account

Reference No. 597 dated 27: May 1898.

Submitted for the orders of Government.

2. In its Proceedings No. 2355 mis, dated 29.6.97 the Board held that the Chakkapad Mitta of the Goomsoor Maliah and the Mohurikhond Villages of the Berhampore Taluk were not ryotwari Villages and that the Village Cess Act IV of '93 did not apply to them. It accordingly directed that the ~~Establishments~~ of these Villages should be paid by being deduction according to the practice which prevailed before Feb 1303 and added that the deductions should be made in favor of the Village officers direct without an intermediate credit to the Village Service Fund.

3. Again in para 4 of its Proceedings No. 2285 mis, dated 24.6.97, the Board while supporting the Collector's proposal to employ for the Panchagadale mutta an additional Kurnam and a Karyi on a monthly salary of Rs. 8 each payable from land Revenue, suggested that the payment of these Village

Village officers also might be made by means of
beriz deduction and this proposal was approved by
Government (Vide G.O. No. 695 Rev. dated 17.8.97).

4. It now appears that except in the kist months there
are hardly any collections in the above mittas and
that consequently after the kist months are over, the
Village officers being dependent on beriz deductions
have to wait for their salaries till the next year and
are thus put to much inconvenience. The Tahsildar
of Berhampur having represented this difficulty
as regards the Mohirikhond Villages, the Collector ordered
that the pay of the Village Establishment of these
Villages should be drawn direct from the Treasury and
that the charge should be debited to Land Revenue,
but the Accountant-General has taken exception to
this procedure on the ground that Government sanction
is necessary. The Collector accordingly seeks the
sanction of Government for the disbursement of the
pay of the Establishments of the marginally noted
Villages from the Treasury direct, every month except
in the kist months. The Board supports the Collector's
proposal and considers that the charge may be
debited to "3 Land Revenue: Charges of the District
Administration Sub-divisional Establishment -
Establishment."

5. The Collector will be requested to submit a
proposition statement in accordance with
his suggestions. (True Extract) (signed) Lionel Davidson
