to the
Copy of letter from the Agent ~~to the~~ Governor in
Ganjam R.C.No.251/Ag.98,dated 6th June 1898:-

With reference to paragraph 6 of Government Order No.1540 Judicial,dated 3rd November 1897, I have the honour to enclose heresin a copy of letter No.T.C. 122/98 dated 22nd May 98 from the Special Agent Assistant Agent,Ganjam, and request that you will be good enough to obtain the sanction of Government for the increase of pay of the Deputy Inspector of Vaccination,Ganjam Hill Tracts,to Rs.70.

In paragraph 12 of my last administration report I brought to the notice of Government the good inspection work done by this officer, and since then he has been working well. His present pay of Rs.60 is inadequate to meet the expense of his travelling in his range which is vastly larger than that of the Deputy Inspector of the plains. He has to travel frequently in unhealthy tracts and in out of way villages where he can **get** no supplies or good water. I think therefore that he should be better paid than a Deputy Inspector in the plains.

The usual proposition statement is enclosed.

Copy of letter from the Special Assistant Agent, Ganjam, to the Agent to the Governor in Ganjam,T.C.122/98, dated 22nd May 1898:-

I have the honour to forward herewith the application of the Deputy Inspector of Vaccination,Ganjam Hill Tracts,asking for an increase of pay from Rs.60 to Rs.70 to make his pay equal to that of Deputy Inspector of the plains.

In the Administration Report of 1897,page 32,the matter was referred by Special Assistant Agent who recommended it in page 37,paragraph 6.Government remarked that it should be dealt with ~~else~~ ^{the} where

The Deputy Inspector of Vaccination has done good work and has a very arduous and unhealthy life to lead always touring in the agency and in out of the way villages where he can obtain no supplies or good water.

His range is vastly larger than men of the plains

and his work every ~~bit~~ as hard quite apart from the difficulties of travelling and the climate. I think he had every right to pay equal to Deputy Inspectors in the plains namely Rs. 70 a month and strongly urge his claims on the Agent for his recommendation to Government.

Acting
Copy of letter from the Sanitary Commissioner for
Madras, No. 1523/S, dated 8th July 1898:-

In returning the papers referred to me for remarks with your endorsement No. 1420 dated 5th July 1898, I have the honour to state that I agree with the Agent in thinking that the Deputy Inspector of Vaccination merits the increase of salary proposed to be given to him. I would accordingly commend the proposal to the favourable consideration of Government.

2. The Deputy Inspector referred to verified in the past year (1897-98) 60.5 per cent of the Vaccinations performed in the Hill Tracts. This I consider satisfactory, having regard to the total number of operations, which were far in excess of previous years.
