EXPLANATORY REMARKS.

(a) The figures for revision of establishment are those entered by Government in G.O., No. 785, Financial, dated 10th October 1895.

(b) A bill for Rs. 1,488-2-0 for plates was attached to a contingent bill of the year 1897-98. It is as yet unknown whether it is to be included in the accounts of that year. If it is, the sum of Rs. 1,488 entered in the revised estimate for 1898-99 will not be required and the same sum will have to be added to the accounts of 1897-98.

Budget Estimate

Note for the C.A.

The estimate for 1899-1900 is Rs.100 more than that for 98/99. This increase is chiefly in the provision made under Contingencies and no explanation is offered. The provision of Rs.70(50+20) for petty carriage and (a) cooly charges &c seems unnecessary as they can be met from the provision of Rs.200/- for carriage of Stationery, (b) Tents &c - Rs.40 appears to be quite enough for office expenses. The estimate has been altered accordingly.

C.A.

In August 1897 the Supdt.
Archaeological Survey, was informed that
the question of the reorganization of
his department was still under the
consideration of the Govt. of India-
Vide docket of G.O.R.No.898 Public,
dated 16th August 1897-(original at Ooty).
Nothing further can be traced by the
Reference Dept. here. The Public Dept.
at Ooty will perhaps be able to say
whether there is any immediate
prospect of the revision being sanc-
tioned. As the matter appears to be
still under consideration the pro-
vision in the budget should, it is
submitted, be retained. It will also
be a sort of reserve from which we
might draw when money is required next
year in case the revision scheme is
postponed.

*For

To Public Dept

Will Public please say whether
the provision need be retained, and also
whether the budget is otherwise accepted /dr.

To Public

The question of the reorganization
of the Archaeological Dept-
is still under the consideration
of the Govt. of India. A
despatch on the subject is
under consideration. It has gone to the
S. of S. a few months ago, & it
seems likely therefore that
the revised scheme may shortly
be sanctioned. Under the
circumstances the retention
of the budget provision seems
desirable.
