No. 2338

From

J.N. Atkinson Esquire, I.C.S.,

SUPERINTENDENT OF STATIONERY,

MADRAS,

To

The Chief Secretary to Government,

Financial Department.

SIR,

I have the honour to bring to your notice

Registrar, High Court, for one Type-Writer, name not specified, under G.O. No. 1419, Judicial, dated 10th September 1898.

Secretary to the Chief Commissioner of Coorg for a "Remington Standard No. 7" Type-Writer with copy holder under orders of the chief Commissioner of Coorg who is the local Government for Coorg.

Director of Public Instruction for the use of the School of Commerce, Calicut, 1 Yost Type-Writer Brief size and 1 Barlock Type-Writer No. 6, under G.O. No. 548, Educational, dated 30th August 1898.

Post Master General for a Yost Type-Writer No. 4 under the sanction of the Government of India conveyed in a copy of communication No. 3815-S.R. dated 31st August 1898 from the Secretary to the Government of India, Finance and Commerce Department, to the Director General of the Post Office of India.

that the marginally noted officers have recently, under the orders of Government indented for Type-Writers specified against their names. These demands were not foreseen by this Office, and no provision was made in my last Home indent for a sufficient number of Type-Writers to enable me to meet them. There is at present not a Type-Writer of any kind in store and from enquiries made both locally and at Bombay, I gather that it will take from about four to six weeks for the Agents of the different Type-writing Companies ^{to obtain the machines} required from England. The Board of Revenue, Land Revenue, in its Proceedings No. 2435 Mis. dated 7th instant has informed me that it

has reported to Government that the marginally noted eleven Collectors are likely to apply for Type-Writers during the current year.

Under these circumstances, I request that Government will favour me with orders whether a supplemental indent may be submitted to the Secretary of State for India for a supply of Type-Writers or whether I may be permitted this year to purchase them locally even though the firms have to wire to England for the machines after receipt of an order from this Department. If an indent should be sent home, I shall be glad to receive instructions as to the number and description of machines I should ask for.

The favour of early orders is requested as some of the machines are urgently required.

I have the honour to be,

Sir,

Your most obedient servant,

J. H. Atkinson
