The Settlement registers of Tanjore are being printed at a private press in Madras and those of the Malabar-Wynaad at private presses in Malabar. The bills paid up to the end of August last on account of the printing of Tanjore registers amount to Rs. 6,045. The work is now being pushed on vigorously, and it is estimated that during the remaining months of the year the cost of printing these registers will come to nearly Rs. 14,000. The printing of the Wynaad registers was begun this year, and the charges on this account during the current year are estimated to amount to Rs. 2,000. The revised estimate for the year is accordingly fixed at Rs. 22,000. The budget estimate for 1899-1900 provides for printing the remaining registers of Tanjore and the Wynaad and the registers of Trichinopoly.

To the Under Secy.:

The Board's revised estimate for the Current year and the budget estimate for 1899-1900 under 30.D. Stationery and Printing - Printing Settlement Registers - are shown below in comparison with the actuals of the three previous years and the budget estimate for the Current year:-

Budget estimate for 98-99 .. 25,000

Revised do .. 22,000

Budget estimate for 99-1900 .. 30,000

2. Revised estimate for the current year:- The Board's budget estimate for the Current year was Rs 35,000 but it was reduced by Govt. to 25,000 in view of the financial pressure.

St

~~At present the estimate for the~~
~~current year is Rs 30,000.~~ The actuals of the
first five months for the
printing of the Tanjore Registers
amounted to only Rs 6,045 and
at that rate of progress the
total charges for the year
would amount to only Rs 14,508.
Adding Rs 2,000 to meet the
charges of printing the Wynad
registers the total charges
of the current year would
amount to only Rs 16,500.
The Board, however, states
that the work of printing the
Tanjore Registers is being
pushed on vigorously and
accordingly estimates the total
expenditure during the current
year at Rs 22,000. ~~At present~~

Submitted that this Revised
Estimate may be
accepted & the Bd
told to insist on
its being worked up
to. It is most important
that the work should
be finished as soon as
possible.

3. Budget estimate for the
ensuing year: The Board
provides Rs 30,000. It is
a question for consideration
whether this amount will be
utilized. The budget estimate
for the current year (Rs 25,000)
may, it is submitted, be
safely adopted for the ensuing
year.

If Govt cuts down
the 30,000 Rs to 25,000 Rs,
on the ground the Bd is
not likely to spend
the whole 30,000 Rs, the
probable result will
be that the Bd won't
spend even 25,000 Rs.
The item is not a
large one & the
work is important; submit
that 30,000 Rs may be
accepted.

The Revised Estimate of 22,000 may, if it is submitted, be accepted

On regard to the B.S. for 1899-1900 it is thought that looking to the past actuals, a sum of Rs 25,000 should suffice. The Board can if it likes make up to this estimate next year but there seems to be no necessity in looking up the differences between Rs 25,000 and a larger sum in ~~circumstances~~ if the Board is unlikely to work up to the larger sum
