Reserve Hospital Assistants.

Communicating to all Local Boards and Municipal Councils, with concurrence, the opinion of the Accountant-General that the pay of — deputed for cholera or other duty or appointed to hold charge of Local Fund and Municipal hospitals or dispensaries during the absence of the permanent incumbents on such duty should be met from Provincial funds.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From T. HESKETH BIGGS, Esq., Accountant-General, to the Secretary to Government, Local and Municipal Department, dated Fort St. George, 9th August 1898, No. L.F.D.—317.

In forwarding herewith letter, No. T/163, dated 7th June 1898, from the Surgeon-General, I have the honour to state that in the case of medical subordinates of the reserve staff, who act during the absence on leave of medical subordinates in charge of Local Fund and Municipal hospitals and dispensaries, the pay is a charge against Provincial funds—*vide* first portion of article 136 (17) of the Local Fund Code. On the analogy of this the pay of reserve men appointed to hold charge of the above institutions during the absence of the permanent incumbents on cholera duty should apparently be met from the same source.

As regards reserve medical subordinates directly deputed to duty connected with cholera, even if it be on the requisition of the local bodies, it has hitherto been held by this office that the charge is a Provincial one, and this view has been accepted by Government—*vide* concluding portion of the article above quoted. The principle underlying the whole of these decisions is apparently that as Local and Municipal Boards contribute towards the cost of the reserve medical staff, they are entitled to the services of the latter for temporary purposes free of further charge.

2. If these views commend themselves to Government, the issue of general orders is suggested.

ENCLOSURE.

From Surgeon-Major-General C. SIBTHORPE, C.B., F.R.C.P.I., Surgeon-General with the Government of Madras, to the Secretary to Government, Local and Municipal Department (through the Accountant-General), dated Ootacamund, 7th June 1898, No. T/163.

With reference to paragraph 4 (4) of G.O., No. 777 M., dated the 18th April 1898, I have the honour to state that, in my opinion, the pay of reserve hospital assistants deputed for cholera or other duty or appointed to hold charge of Local Fund and Municipal hospitals during the absence of the permanent incumbents on such duty, should be debited to the respective board or department which applies for their services.

ORDER—No. 1789 L., dated 26th September 1898.

The remarks of the Accountant-General, in which the Government concurs, will be communicated to all Local Boards and Municipal Councils.
