NOTE FOR THE C. A.

The Colls of South Africa
raises the question whether the
monthly Plague Estimates —
should include also ^{information regarding} indirect
charges & States that information
regarding direct charges —
^{alone} ~~only~~, need be furnished ^{at present} under
Ag's circular no: 4297 of 14th Sept 1938

2. The Plague Commissioner considers it desirable to obtain correct information in regard to indirect Plague Expenditure also:

3. The A.G. enquired whether —
information was required also
in respect of indirect charges
in the monthly statements of
Plaque Expenditure under the difference
to be contributed by him
~~under the~~ ~~called for & expressed~~
certain difficulties in compiling
the information at the very
commencement of each month.

(J.) 4. The matter was disposed of
by G. O. no. 812 and of 20 Sept 98
wherein time was given until
the 20th of each month for submission
of Statement of Provincial -

direct charges

Such being the case, the monthly Estimates should contain information about that head, to admit of check of the figures entered in the estimate column for the month under the same head

6. The collector states in the concluding portion of his letter that no monthly statements were hitherto submitted as there were no "direct charges". It may be required that even in such cases, nil statements ^{should} be submitted in view that this fact may be known ^{so as} to obviate a call for ^{the same} submission of ~~a statement~~ and printed memorandums to ^{on the above two points} all collectors may perhaps be considered ~~most~~ desirable
