Sir,

I am directed to inform you that the Government of Madras have represented to this Office that the Chart and plan which accompanied your report of the 25th May 1892 on the condition of the Harbour at Vizagapatam have been destroyed by fire, and that they are desirous of obtaining copies of the same.

I am accordingly to request that you will be good enough to furnish this Office with copies of the plans in question for transmission to the Government of Madras.

The Under Secretary of State for India,
India Office.

Sir,

With reference to your letter of April 21st 1897, P.W. 684, and my subsequent interview with you on May 5th at the India Office.

Private affairs of a most pressing and rather painful nature forced me to return to Switzerland as soon as I had finished the copies of the plans of the Vizagapatam Harbour. This is not what I wished to do, but as I have said, matters were most pressing.

On May 25th I sent the plans by special messenger to the India Office, finished and signed - and was handed a receipt for the same signed by "Francis M. Duchett (?)".

It was necessary to repeat the plans on strong mounted Drawing paper and this took very much longer than I at first anticipated when I thought that perhaps tracings would suffice.

It was unfortunate that the plans were wanted just at the present time as I was obliged to come home and stay at home at ordinary rates of expense for 23 days.

I feel sure therefore that a charge of Eighty guineas (£84) cannot be regarded as excessive when as a matter of fact this does not yield me more than a most moderate fee (in the way of profit) for my work. At the perfect convenience of the India Office, this sum can be paid to my name with Henry S. King & Co., provided such a course be regular and in order.

I have &c.,

SIR,

With reference to Proceedings of
Government No 868 M dated the 13 October
1897, I have the honour to state that -
Government order No. 2530 W dated 11th September
1897 does not specify the head to which
the payment of £84 advised in the
Inward London Schedules for July 1897
in connection with plans for the improvement
of the Harbour at Vizagapatnam should
be charged. As however in 1891-92 and 1892-
93 similar charges were taken to 21 Marine
Miscellaneous Provincial under Government
Order No. 7 Finl. dated 4 January 1892. I
have adjusted the present item (equal to

not repaid in
the 11/9/97

claimed & paid

1390.5.5) under the same head and I
beg to suggest that if Government see
no objection an allotment be made for
the purpose.

With C. No. 76, the Marine
depts forwards a letter received from
the Acctt. Genl. regarding the
charges amounting to Rs 1390. 5. 5
paid to Mr. F. W. Thoroughgood by
the India office for preparing
copies of plans for the improve-
ment of the Vizagapatam harbour,
which were destroyed by fire.
The Acctt. Genl. observes that
charges of the kind incurred
in 1891-92 & 1892-93 were debited
to 21 Marine Miscellaneous Provincial
under G.O No. 7 File. dt 4 Janu-
ary 1892. When this G.O was
passed, it was not anticipated
that the cost of the temporary
establishment employed in
connection with the harbour
question, which was ordered to be
debited

debited to Pool funds, would
 be taken to 21 Marine but it
 was thought that the charge
 would be shown against
 45 Civil Works - please see
 the note below the G.O. The
 Acctt. Genl. ^{however} reports that the
 present charges have also been
 debited to 21 Marine Miscellaneous
Provincial and requests that
 an allotment may be made to
 meet the expenditure. It is
 submitted that the Acctt.
 Genl's action may be approved
 & that funds may be allotted
 from the savings under 5 Salt,
 the revised estimate fixed under
 the head by the Acctt. Genl.
 being 1.55 less than the budget
 estimate. Out of these savings,
 1.26 lakhs have already been
 allotted. The follg. draft is
 accordingly submitted for approval.
 Order: W.P. 89 of 2 Feb 98.
 The Acctt. Genl's action is
 approved.

2. The charge will be met
 from the savings under 5. Salt.
