Madras, 5th October, 1898.

The Chief Secretary to Government,

Ootacamund.

Sir,

With reference to Mr. Theophilus A. Hurley's interview with you a few weeks ago, we have the honour to draw your attention to the fact that we are sole agents in the Madras Presidency for the "Remington" Standard Typewriter.

In expressing the hope that this machine may be approved for introduction into various departments of the Government offices, we may remark that whereas indents submitted through the India Office could only be executed after much delay, we, who have always supplies either in godown or afloat, can deliver more speedily and at a lower cost - viz Rs.350 per machine. Further, we guarantee delivery in Madras in good working order. Under these circumstances we venture to suggest that the Madras Government might with advantage order any supplies of "Remington" machines it may require from us, through the Superintendent of Stationery in Madras.

We have the honour to be, Sir,

Your most obedient Servants,

For The India Trading Co., Ltd.

Harry Ormerod

General Managing Director.
