Contingencies—

(a) The decrease is on account of the Rs. 80 post having been allowed to continue vacant during 1897-98 and 1898-99.

(b) The decrease is on account of 3 copyists' posts (two on Rs. 15 and one on Rs. 12½) and a paster's post on Rs. 7 having been left vacant during a portion of the year 1897-98.

(c) The decrease is owing to four copyists' posts (two on Rs. 15 and two on Rs. 12½) having been allowed to continue vacant during 1898-99.

(d) Provision has been made for the full sanctioned establishment—*vide* this office letter Reference on Current No. 508, dated 15th November 1897, read in G.O., No. 985, Revenue, dated 24th November 1897.

(e) This amount is provided to meet the cost of the temporary establishments required for Anantapur and Bellary districts with reference to the Collectors' estimates. Proposals will follow on receipt of further information from them.

(f) *Vide* G.O., No. 4446, Revenue, dated 12th October 1892; and G.O., Mis. No. 2858, dated 7th July 1898, Rs. 200 for Bellary and Rs. 320 for Anantapur district. The amount of Rs. 200 provided for Anantapur in the Revised Estimate for 1897-98 was not expended during the year, as the establishment appears to have been entertained only just before the commencement of the current year.

vide remarks (a) & (c) in budget

November last the Inam Commissioners reported that they would have to be filled up in 1899-1900, as by that time the registers for the provision of title-deeds issued for the village service inams in the Bellary and Anantapur districts with reference to the Survey area and Settlement assessment would be received and the village service inams in the proprietary estates would be ready for enfranchisement.

The provision for contingencies for ~~1899-1900~~ 1899-1900 is nearly the same as that for the previous year and calls for no remark.

An amount of Rs 1500 has been entered under Temporary establishment for in Districts.

The Inam Commissioners remarks that this amount has been provided to meet the cost of the Temporary establishments required for Anantapur and Bellary districts with reference to the Collectors' estimates and that proposals will follow on receipt of further information

from them. The temporary establishments are ~~prob~~ probably required in connection with the revision of quit-rent on village service inams in those two districts. In the absence of definite proposals, the item cannot be scrutinized. 3. Submitted that the estimates may be accepted.
