Refunds.—The actuals of 1897-98 were in excess of the sanctioned estimate (Rs. 71,000) by Rs. 63,824. The variations occurred chiefly in Kistna (+ Rs. 48,899), Malabar (+ Rs. 11,731), Godavari (+ Rs. 8,966) and Tinnevely (— Rs. 4,463). The Collector of Kistna attributes the increase in his district partly to an adjustment of Rs. 33,783 made by the Accountant-General to this head being the sum which was erroneously credited in previous faslis to Land Revenue and partly to the refund of penal water-tax in some taluks on account of which the revised estimate was enhanced by Rs. 15,000. The increase in Malabar was due mainly to an adjustment of Rs. 9,823 made by debit to "Refunds" in connection with the tribute due on the Laccadive Islands, and partly to the refund of the Janmabhogam collected (1) on certain lands which had been originally declared to be Government Janmam, but were treated as private property at the recent revision of settlement, and (2) on Government Janmam lands, the janmam right to which was sold to private parties but on which janmabhogam continued to be levied till the issue of Janmam sannads. In Godavari it was partly due to the remissions granted on account of damages by floods in the Narasapur taluk and partly to the refund of excess collections of water-rate made from the zamindari of Baharjalli in fasli 1306. No special cause is assigned for the decrease in Tinnevely. Collectors estimate the probable refunds at Rs. 96,600 for the current year and at Rs. 73,500 for 1899-1900 against the sanctioned estimate of Rs. 1,13,000. As the actuals of the first four months have amounted to Rs. 40,459 and as the average of the actuals of the last eight months of the past three years excluding the special adjustments made in 1897-98 in Kistna and Malabar (Rs. 43,606) comes to Rs. 72,634, the sanctioned estimate of the current year (which corresponds to the total of these two sums) is repeated for both the revised and budget estimates.

N. 256 Dated 27. 9. 1898.

Revised and Budget
estimates of expenditure under
I. Refunds and Drawbacks - Land
Revenue.

The collectors estimate the probable refunds at Rs 96,000 for the current year and at Rs 73,500 for the ensuing year against the sanctioned estimate of Rs 113,000. As, however, the actuals for the first four months of the current year have amounted to Rs 40,459 and the average actuals of the last eight months of the past three years (excluding certain special adjustments made in 1897-98 in Kistna & Malabar) to Rs 72,634, the Board proposes to repeat the sanctioned estimate (Rs 113,000) for 1898-99, which approximates the sum of these two figures, both for the revised estimate for

1898-99 and the Budget estimate for 1899-1900. The actuals of 1897-98 (Rs 134,824) were in excess of the sanctioned estimate for the year (Rs 71,000) by Rs 63,824 and of the revised estimate (Rs 112,000) by Rs 22,824. The increases chiefly occurred in Kistna, Malabar and Godavari and were due to certain ^{special} adjustments ordered and to refund of excess collections of water-rate.

2. It is submitted that the Board's estimate (Rs 113,000) for both the Revised and the Budget estimates may be accepted. The certificate prescribed by Rule 10 of the Budget Rules has not been appended by the Board of Rev.

The annexed draft order is submitted for approval.
