If Local Government is competent to sanction, its order will be written across these four columns.

Signature G. A. M. S.
(Officer's Designation) Acting Secretary

Copy of Proceedings of the Board of Revenue, Separate Revenue, Misc. No. 2806 dated 13th July 1898.

Resolution.

In G. O. Misc. No. 73, Revenue, dated 6th January 1898, the sanction of Government was accorded for entertaining temporary establishments required for the supervision of the harvesting of ganja crop on the Javadi Hills during the past season.

2. The Board now begs to renew its proposals for the entertainment of Sub-Inspectors and peons for the current season. The experience gained does not enable the Board to suggest any modification in the strength of the establishment sanctioned for the last year and it considers that six Sub-Inspectors with six orderlies each are necessary for this season also, from 1st September 1898.

3. The local officers consider that the hill allowance of Rs.15 and Rs.2, sanctioned in G. O. Misc. No. 73, Revenue, d/ 6th January 1898, respectively, for each of the Sub-Inspectors and peons employed on the hills is quite insufficient to cover the additional cost of maintenance that these men incur. The Deputy Commissioner recommends that the allowance may be raised to Rs.20 in the case of Sub-Inspectors and to Rs.3 for peons at least for this season to see if it results in the work on the hills becoming less unpopular. The Board accepts the Deputy Commissioner's recommendation and requests the sanction of Government to the increased allowance. In this connection it would remark that every Sub-Inspector but one of those sent into the hills last year is reported to have been completely incapacitated by fever.

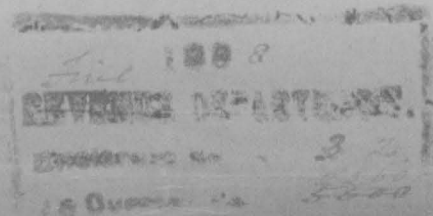

4. Two proposition statements, in duplicate, are herewith submitted for sanction. The cost in the current year can be met from the provision in the budget.
