PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board of Revenue (Revenue Settlement, &), No. 5107 Mis, dated 24th August 1898 on G. O. Revenue Department, No. 3310 Mis, dated 10th August 1898 :-

2. In the statement showing Provincial advances and Loan Account under class I for March last, printed in the Government Order (Financial Department) read above, it is observed that Rs.1,625 is shown as advanced in the Kurnool District during the month; while in the statement of charges received from the Accountant-General for the same month the amount shown is Rs.1,725. The Accountant-General will be requested to state which figure is correct. He will be requested also to state the purpose for which the advance, viz Rs.100 shown by him as "Miscellaneous" advance under class I- advances to cultivators in the statement sent by him to Government, was made. If the advance in question is covered by the provisions of either of the Loans Acts, it is not understood why it has not been included in the amount shown against either the Land Improvement Loans Act or the Agriculturists' Loans Act.

3. With reference to the remarks in para. 3 of the Government Order in regard to the larger disbursements under the 6½ per cent rate of interest than under the Special Well rules, Government is doubtless aware that a large advances for the extirpation of nuth grass in the Ceded Districts, and for the conversion of dry land into wet under the Periyar Project in the Madura District were made during the year with interest at the rate of 6½ per cent, whilst advances under the Special well rules were allowed for the repair and construction of wells only. Advances were also made for purchase of seed-grain, cattle and fodder under the higher rate of interest.
