PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Director of Public Instruction, Madras,
No. 7345, dated 6th July 1898:—

In G.O.No.455, Educational, dated 10th August 1897, the sanction accorded in G.O.No.267, Educational, dated 6th May 1897, to the employment of a second assistant master in the Government School of Commerce, Calicut, on a salary of Rs.50 per mensem was withheld on financial grounds. To meet the wishes of Government as expressed in the former G.O., the rate of fees has been raised 50 percent, i.e. from Rs.4 to Rs.6 a year per subject, with effect from 1st January 1898. This resulted in an increase of Rs.68 in the fee receipts during 1897-98, which amounted to Rs.754, as against Rs.686 during the preceding year. The Headmaster expects a fee revenue of Rs.900 during the current year, which is the same as the amount taken credit for in the budget estimate of receipts for 1898-99. Thus the total probable increase during 1897-98 and 1898-99 over the collections of 1896-97 will be Rs.282. Some additional receipts may also be expected from the Typewriting class for jobwork done for the public, provided a typewriting instructor is appointed. The above increase will almost suffice to meet the pay during the current year of the second assistant master, whom it is proposed to employ from 1st August next on Rs.50 per mensem, in view to

copying with the increased work as detailed in this office letter, No. 3271, dated 24th March 1897, and to exercising efficient supervision over the working of the Typewriting class, which has not been quite satisfactory owing to the absence of a separate qualified instructor.

2. In the circumstances stated above, I beg to request that Government will be pleased to sanction, with effect from the 1st proximo, the employment of a second assistant master on a salary of Rs. 50 per mensem, the charge being met from the lump provision of Rs. 600 made for the school in the current year's budget.

3. I beg to submit the necessary proposition statement in duplicate.

Order No. 503 dated 13th August 1898.

The proposal of the Director of Public Instruction for the employment of a second assistant master is approved, and the proposition statement will be transferred to the Financial Department.

2. The Director of Public Instruction will be requested to report whether the rate of the school fees cannot be further raised from next year.
