REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Endorsement of
the Superintendent of Stationery, Madras, No. 2146, dated 9th
the following
September 1898 on Reference from the Board of Revenue (Land
Revenue), No. 354 Forest, dated 5th September 1898 ~~xx~~ on letter
from E.D.M. Hooper Esquire, Acting Conservator of Forests,
N. C. dated 20th August 1898, R.C.No. 1997 requesting orders
if he should secure the special sanction of Government on
each occasion a measuring tape is required and if he should
apply for the supply of the same to the Superintendent of
Stationery in future :-

Reference.

The Conservator of Forests, Northern Circle, having
indented for a supply of measuring tapes on the Superinten-
dent of Stationery, the latter officer desired to be inform-
ed whether the special ~~attention~~ sanction of Government was
obtained for the supply as he has no authority to issue the
article to officers of the Forest Department. The tapes were
urgently required. The Conservator therefore purchased them
locally to avoid delay and now requests orders as to whether
future supplies should be indented for from the Superinten-
dent.

2. The Board finds from the "Rules regulating the
supply &c of Stationery", second Edition, that measuring
tapes are not included in Appendix A which gives a list of
the articles supplied by the Stationery Office. As, however,
these tapes are constantly required for use by Forest Of-
ficers for the measurement of timber and check of forest
works, such as roads, buildings, demarcation &c, the Board
recommends that Government will be pleased to include the
article in the Appendix and to authorise its issue to

Forest

Forest Officers. The sanction of Government is also requested in accordance with para 3 of the Stationery Rules for the local purchase of the tapes already made by the Conservator.

3. The Board in its Proceedings Forest No. 267, dated 24th April 1894 and Forest No. 506 dated 4th August, 1894 authorized Collectors to indent on the Superintendent of Stationery for the survey and drawing instruments required for their several districts in connection with forest operations. Measuring tapes were then included in the lists approved by the Board and their supply was not objected to by the Superintendent.

-----:0:-----

Endorsement.

Forwarded.

2. The Superintendent of Stationery should be guided by No. 2 of the Stationery rules, which it would appear have not been strictly followed in the past.
3. Measuring tapes will be included in Appendix A of the Stationery rules as an ~~an~~ article of supply to Forest Officers if the sanction of the Financial Department is accorded to their issue.

-----:0:-----

Order thereon, No. 3773 Mis, d/17th September 1898.

The expenditure already incurred in the purchase of measuring tapes is sanctioned.

2. The question of including measuring tapes in Appendix A to the Stationery Rules as an article of supply to Forest Officers will be considered in the Financial Department.

SIR,

The District Forest Officer, Chingleput, recently indented for Drawing pins, Plotting compasses, Plane Table and wooden plotting scales with offsets for the use of Surveyors. The supply of these was sanctioned by the Board of Revenue, Land Revenue, in its Proceedings No.267 dated 24th April 1894 but was not confirmed by Government. As the demand was urgent it was met.

2. Recently measuring tapes also were indented for by the District Forest Officer, Vizagapatam, and by the Collector of South Arcot for his Divisional officers. The requisitions were not complied with in the absence of the sanction of Government. The Board of Revenue, (Land Records and Agriculture) then referred the matter and the expenditure incurred in the former case was sanctioned by Government in its Order No.3773 Mis.Revenue dated 17th September 1898, and the general question of the inclusion of measuring tapes in Appendix A of the Stationery rules as an article of supply to Forest officers was referred to the Financial Government for consideration.

3. The supply of measuring tapes to Divisional officers in the South Arcot District was sanctioned in G.O. No. 3565 Mis. Revenue, dated 30th August 1898, which also empowered the Board to sanction the issue of such tapes to Divisional officers, Tahsildars and Revenue Inspectors when it should deem it necessary. A copy of the order is enclosed for ready reference. As the demands were urgent, the requisitions were complied with in anticipation of the sanction of the Financial Department.

4. As the Stationery rules do not provide for the issue of these articles, I have the honour to request that sanction may be accorded to their being included in Appendix A to the rules as articles of supply to the officers specified above.
