Under Secretary.

Please see (newly added to) note 167 at page 689, Civil Account Code, Vol II. The charges represent occasional expenditure incurred in the relief of local distress arising from causes other than calamities of season, such as fire, epidemics &c. All plague expenditure is now shown under 24- Medical; but the office has no information whether any indirect plague expenditure is debited to 32. Miscellaneous. The Board of Revenue is competent to sanction all charges incurred on account of fire, epidemics &c.
