PROCEEDINGS OF THE MADRAS GOVERNMENT

Read the following papers—

Letter from the Director, Government Cinchona Plantations, Nilgiris, No.26, dated 10th June 1898:—

on p 4 of 80

223 Rev 130-3-97
(3797-166-5-97)

In my letter to Government No.10, dated 2nd Feby. 1897, I suggested the abolition of the post of Superintendent of Hooker Estate, and proposed that this Estate should be placed under the charge of the Superintendent of Nedivattam Estate. This proposal was sanctioned by Government in G.O. No.223 Revenue, dated 30th March 1897 and took effect from 1st June.

2. At the time the above suggestion was made, ^{there was} no intention of increasing the area under cinchona at Nedivattam and although additional work was given to the Superintendent of Nedivattam, it was not thought necessary that his pay should be increased.

3. The recent decision of Government to open additional land to the extent of 30 acres during the year has very considerably increased the work of the Superintendent of Nedivattam; and I have therefore the honour to request that his pay may be increased from Rs.200 to Rs.250 with effect from ^{the} 1st April 1898.

4. The additional expenditure involved, viz. Rs.600, can be met from savings in the General Budget estimate of this Dept. for the current official year, as a sum of Rs.960 was allowed for superintendence in my estimate of the cost of opening 30 acres of forest land with cinchona - vide statement No.3, which accompanied my letter No.2 of 15th Jany. '98, embodied in G.O. No.140 Revenue of 10th March.

5. Mr. Edward Collins, the Superintendent of Nedivattam, has

charge of over 420 acres of cinchona on Nedivattam and Hooker, as well as the general charge of the Quinine factory. He has 15 years' service, and has drawn Rs.200 a month for the past 13 years. He has shown great energy in the matter of the new extensions of 80 acres at Hooker, and I am of opinion that he thoroughly deserves the increase of pay suggested above.

6. A proposition statement in duplicate as prescribed in sec.57 Chapter V, Civil Account Code, is enclosed, showing the financial effect of the above.

II. Official Memorandum No.208, dated 5th Septr. 1898, requesting the Director, Govt. Cinchona Plantations, to report whether it is proposed to increase the Supdt's present charge year by year by the addition to it of the land to be newly opened up, and also whether it is in contemplation to propose the increase of the supervising staff by the employment of an extra Superintendent for the additional land and if so after the addition of what area to the present extent.

III. And also letter from the Director, Govt. Cinchona Plantations, No.44, dated 21st Septr. 1898, proposing to increase the original charge of the Supdt. of Nedivattam and Hooker estates by the addition of 240 acres, and to appoint two extra Superintendents in course of time.

--:-

ORDER thereon No.4026 Vis. dated 8th Octr. 1898.

As the work of the Superintendent^{at} Nedivattam will be materially increased in consequence of the additional land to be --- brought under cinchona cultivation, His Excellency the Governor in Council is of opinion that his pay may be fixed at Rs.200-10-250 the first increment being given on the 1st April 1899. The proposition - statement submitted by the Director, Govt. Cinchona Plantations, will be revised accordingly and transferred to the Financial Department.
