Budget Estimates.

Directing, with remarks, that the provision in the budget estimates of charges for 1898-99 under 20. Police for the punitive police in the Walavanad and Ernad taluks in Malabar district be transferred from the sub-head "Other Police—Special Police charged for to Parties concerned" to that of "District Police—Police Force—Temporary Establishment" as the cost will not, in future, be recovered from the inhabitants.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—again the following paper:—

G.O., No. 959, Financial, dated 19th November 1897.

ABSTRACT.—Passing orders on the budget estimate of charges for 1898-99 submitted by the Inspector-General of Police.

READ—also the following paper:—

G.O., No. 61, Judicial, dated 14th January 1898.

Read—again G.O., No. 1115, Judicial, dated 24th May 1895.

Read—also the following paper:—

From the Inspector-General of Police, Madras, dated 7th October 1897, No. 3645.

With reference to G.O., No. 1115, Judicial, dated 24th May 1895, sanctioning (1) the establishment of a punitive police of three head constables and twenty constables at the stations of Pandikad and Natakai newly opened in Ernad and Walavanad taluks of Malabar, and (2) the continuance of an increase of one head and nine constables to the Nenmini station transferred to Pallipuram, for a period of two years, I have the honour to solicit the sanction of Government for the further retention of the two establishments. The Superintendent of Police and the Collector strongly urge the necessity for their further retention. Indeed Government has had recently to strengthen the police in Ernad still further and three new stations have been sanctioned in G.Os., No. 1990, Judicial, dated 15th December 1896, and No. 1252, Judicial, dated 30th August 1897. The stations must certainly be continued for the present. The Superintendent desires them to be made permanent, but perhaps it would be better now to continue them definitely for two years more and see the results.

2. I enclose a statement showing the cost of the three head and twenty constables sanctioned as a punitive police for two years from April 1895. The total actual cost is Rs. 5,704 and the amount recovered as police cess is Rs. 6,733. Enquiry has been made as to the account to which the difference refers.

3. In the Collector's letter herewith forwarded, it is stated that Government has directed in its Order, No. 641, dated 5th May 1897, that the cess should be recovered from the inhabitants for two years only. I have not a copy of this Government Order. If Government has decided that the police should no longer be treated as a punitive police, the cost of the establishment would form an ordinary charge on the police budget. Provision is made for it in the current year and it has been proposed for the next year also.

4. The cost of the buildings at Pandikad, Natakai and Pallipuram amounted to Rs. 6,775, and Government considered that the cost might be met from the fines to be levied by the District Magistrate—*vide* G.O., No. 674, Judicial, dated 1st August 1895.

5. I regret the delay in making this application. The Superintendent did not ask for renewal of sanction before the two years were over, and when the omission was noticed by this office, it called his attention to the matter on the 28th May 1897. The Superintendent took some time in replying and a reference made to the Collector for his opinion added to the delay. I beg that the sanction that may now be accorded may have retrospect from the date of the expiry of the sanction contained in G.O., No. 1115, Judicial, dated 24th May 1895.

Order—No. 61, Judicial, dated 14th January 1898.

The Inspector-General's proposals are approved and the further retention of the establishments in question, for a period of two years, will be sanctioned with retrospective effect from the date of the expiry of the period originally sanctioned.

2. The force being no longer punitive police, its cost should be charged in the ordinary way to the police budget.

ORDER—No. 94, Financial, dated 3rd February 1898.

From the estimates passed in G.O., No. 959, Financial, dated 19th November 1897, it is observed that the provision for the punitive police in the Walavanad and Ernad taluks in Malabar district formerly entered under the sub-head "*District Police—Police Force—Temporary Establishment*" has been transferred in the budget estimate for 1898-99 to the sub-head "*Other Police—Special Police charged for to Parties concerned.*" As the cost will not, in future, be recovered from the inhabitants and the force is no longer punitive, the provision should be retransferred to the former sub-head.
