Financial Department, MADRAS
(Through the Accountant General, Madras)

No. D.P.8 No.1 dated MADRAS, the 16 August 1898.
16674

Sir,

I have the honor to forward herewith for the sanction of Government a Proposition Statement (in duplicate) for the revision of certain District Post mail lines in the Salem District involving neither increase nor decrease.

2. The Divisional Superintendent in recommending the proposal states as -- follows :-

The distance between Perambalai and Pennagaram is 24 miles and that between Perambalai and Indur is 14 miles. As the former route is too circuitous the --- runners exchange the mail by the latter route

14-1-97.--500.

route and the designation of the line --- should be changed accordingly.

(2) & (3). The Branch Postmasters of Pachur and Mallapuram are School Masters. They were exchanging the mails at the - Railway Stations 6 furlongs and 1½ miles distant from their respective Post Offices. They complained against this arrangement which greatly interfered with their ---- School work. The runners of Natrampalli and Pallipatti have (thus connecting the lines) been ordered to carry the mails of Pachur and Mallapuram respectively in --- addition to their own work in order to relieve the School Masters of the work of exchanging the mails with the Railway -- Mail Service. By connecting Pallipatti - with Mallapuram the Pappireddipatti Branch Office has a daily service instead of a tri-weekly service as formerly.

3. I beg that the Government will be

pleased

pleased to accord sanction to the ---- measure with effect from 1st September 1898.

I have the honor to be,

Sir,

Your most obedient servant,

PCurti

Offg:Postmaster General.
