Stationery Office,

Madras, 29 September 1898.

No. 687

From

J.N. Atkinson Esquire, I.C.S.,

SUPERINTENDENT OF STATIONERY,

MADRAS,

To

The Chief Secretary to Government,

Financial Department.

Sir,

The Collector of Ganjam in his letter No. 1157<sup>Eng.</sup> dated 7th September 1898 requested the supply of two rubber stamps bearing the impression "Plague" for affixing on Plague correspondence. The issue of the stamp being unauthorized, I requested the officer to obtain the sanction of Government for its supply if he should consider it an absolute necessity.

2. The District Medical and Sanitary officer of Anantapur has forwarded an indent for a rubber stamp of the enclosed pattern for a similar purpose to Messrs Addison and Co., direct who sent a copy of his letter to this Office with the intimation that they are executing the order in anticipation of sanction. As Plague Camps are being opened in various parts of this Presidency, I anticipate similar requisitions from other officers also. Under these circumstances, I solicit the orders of Government as regards the supply of stamps to Plague officers with particulars of standard designs, if sanctioned.

I have the honour to be,

Sir,

Your most obedient servant,

*J. N. Atkinson*  
Superintendent of Stationery.

## SUBJECT.

Requesting to consider the  
question of the standard  
designs of rubber stamps  
to be supplied to officers  
on plague duty.

I do not think stamps, <sup>themselves</sup> are  
necessary - But, as ordinary stamps -  
simply the word "Plague" - to add to  
the usual office date stamp would be  
convenient no doubt. Plague papers

It would save time
