From the Board of Rev (Rev. Sett).

No 361 Dated 28—9—1898.

FOR ORDERS.

In the Minor Works and Navigation Budget of Receipts, the Board provided Rs 10000 for the Revised Estimate for the current year and the same amount for the Budget Estimate for the ensuing year. The figure is based on the average of the actuals for the past 3 years which comes to Rs 10,266. It will however, be seen from the figures on the margin that the actuals of 1895-96 and 1896-97 were close upon Rs 11,000. No explanation is offered for the variation between the actuals of 1897-98 (Rs 9,1 and the Budget Estimate the same yea Rs 12,000
