(f) *Mounting and Binding charges (Revised estimate).*—The actuals up to August 1898 were small, but the work is now being vigorously pushed on with, and it is expected that the sanctioned estimate will be fully worked up to.

(g) *Contingencies.*—The expenditure under this head has to be considered along with that under certain corresponding heads under "3C. Land Revenue—Land Records and Agriculture." The contingent expenses of the office of the Board in this Department are met from the provision made under (1) "3B. Settlement Controlling Office", (2) "3C. Establishment for preparing Revenue and Agricultural Statistics" and (3) "do. Irrigation Accounts Department." It is not possible to apportion the exact amounts debitable to each head and no such apportionment is therefore attempted. In debiting expenditure, care is taken that the amount allotted under each head is not exceeded during the year. It will be seen that the actuals up to July under "3B. Settlement Controlling Office" are small proportionately, while those under "3C. Establishment for preparing Revenue and Agricultural Statistics" are large; but the total expenditure under the two heads—3B. Settlement and 3C. Statistics and Irrigation—up to the end of July 1898 is about Rs. 1,900, out of the total grant of Rs. 5,304.

The revised estimates have therefore been taken at the same figures as the sanctioned estimates, except in the cases explained below:—

(g1) "*Office expenses and miscellaneous*".—The charges on account of the collection and despatch of Steatite to Messrs. Sugg &c., Co. (*vide* G.O., No. 4363, Revenue, dated 20th August 1897), amounting to Rs. 355-0-6 have been debited to this head. Further charges on this account remain to be paid. As this item of expenditure was not provided for in the sanctioned estimate, a sum of Rs. 755 is now included on that account in the revised estimate.

(g2) *Record-racks (Budget estimate).*—A sum of Rs. 200 has been provided for new racks, which are very much needed.

(g3) *Purchase of European articles each costing not less than Rs. 5 (Revised estimate).*—A sum of Rs. 700 is provided for the purchase of 2 typewriting machines, for which sanction will be applied for separately.

(g4) *Purchase of European articles each costing not less than Rs. 5 (Budget estimate).*—A provision of Rs. 225 is made for the purchase of a messenger's bicycle, for which sanction will be applied for separately.

(g5) *Purchase of country articles each costing less than Rs. 50 (Budget estimate).*—A sum of Rs.500 is provided for replacing in part the old dilapidated desks and chairs in use in the extra section of the office by new furniture.

* Average of two years.

(*n*) *Tentage of Special Settlement Officer (Revised estimate).*—Decrease due to Special Settlement Officer's appointment being kept vacant during the absence of the permanent incumbent on other duty.

(*o*) *Travelling Allowance of Officers (Revised Estimate).*—Decrease chiefly due to the posts of the Special Settlement Officer, and one Assistant Commissioner being kept vacant for a portion of the year and that of one Deputy Commissioner for the whole year.

(*p*) *Travelling Allowance of Establishment (Revised Estimate).*—Reduced with reference to the actuals of the first four months and the probable expenditure of the remaining months.

(*q*) *License fee for the boat of the Deputy Commissioner, No. III Party (Revised and Budget Estimates).*—Increase due to the enhancement of the rates of license fee, according to revised navigation rules recently received.

(*r*) *Peons' belts and badges (Budget Estimates).*—The officers in charge of Settlement Parties ask for Rs. 392, for renewal of belts supplied more than two years ago; considering the actuals of past years, a sum of Rs. 200 is provided.

(*s*) *Carriage of Stationery and Records (Revised Estimate).*—Increase in the revised estimate is due to provision being made to meet charges in connection with the anticipated removal of No. I Party from Anantapur District towards the close of the year, and to meet additional expenditure which may be necessitated by the impending re-settlement of the Gódávari and Kistna Districts.

(*t*) *Postage charges.*—Increase appears in Parties Nos. I, II and III and is due in Parties I and II to the actuals of the first four months having exceeded the proportionate budget grant and in No. III Party, to the provision made for the impending re-settlement of the Gódávari and Kistna Districts.

(*u*) *Rents, rates and taxes (Revised).*—Decrease chiefly due to the fact that No. V Party is now accommodated in a Government building.

(*v*) *Binding charges (Revised and Budget Estimates).*—Increase due to inclusion of provision for binding the Settlement Registers of the Wynaad, which are now being printed.

(*w*) *Landing and Shipping Charges (Revised).*—Revised with reference to actuals of the first four months, which amounted to Rs. 33.

(*x*) *Packing Charges and Petty Carriage and Cooly charges.*—These have been included in the estimates for "Carriage of Stationery and Records."

(*g*[1]) *Travelling Allowance of Agricultural Inspectors and Contingencies (Revised Estimate).*—Decrease due to the fact that the Inspectors were employed in the Central office till August last.

General Remarks.—No provision has been made in the Budget Estimate for the additions to the Land Records staff contemplated in G.O., No. 413, Revenue, dated 27th July 1898, as the detailed scheme called for in the Government Order is not yet ready. The Board would suggest that a lump provision of Rs. 1,60,000 may be made, the said sum being as near an approximation to probable requirements as the Board can at present arrive at.

Certified that the actuals as entered above are those shown in the departmental accounts; they have been verified with the statements furnished by the Accountant-General and all discrepancies noticed have been duly pointed out to him. There is a difference of Rs. 5,191 between the actuals of 1897-98 under "Revenue Settlement" as entered in this Budget and as reported in the Settlement Administration Report submitted with Board's Proceedings, No. 284, dated 5th August 1898. This sum is made up of the following items:—

		RS.
Deduct—Charges for printing Settlement registers shown in the Budget for "30-D. Stationery and Printing—Printing at Private Presses—Printing Settlement Registers"	—	5,445
Add—Amount reported in the Accountant-General's final statement of charges for March 1898 received subsequent to the despatch of the Administration Report ...	+	254

(f) *Mounting and Binding charges (Revised estimate).*—The actuals up to August 1898 were small, but the work is now being vigorously pushed on with, and it is expected that the sanctioned estimate will be fully worked up to.

(g) *Contingencies.*—The expenditure under this head has to be considered along with that under certain corresponding heads under "3C. Land Revenue—Land Records and Agriculture." The contingent expenses of the office of the Board in this Department are met from the provision made under (1) "3B. Settlement Controlling Office", (2) "3C. Establishment for preparing Revenue and Agricultural Statistics" and (3) "do. Irrigation Accounts Department." It is not possible to apportion the exact amounts debitable to each head and no such apportionment is therefore attempted. In debiting expenditure, care is taken that the amount allotted under each head is not exceeded during the year. It will be seen that the actuals up to July under "3B. Settlement Controlling Office" are small proportionately, while those under "3C. Establishment for preparing Revenue and Agricultural Statistics" are large; but the total expenditure under the two heads—3B. Settlement and 3C. Statistics and Irrigation—up to the end of July 1898 is about Rs. 1,900, out of the total grant of Rs. 5,304.

The revised estimates have therefore been taken at the same figures as the sanctioned estimates, except in the cases explained below:—

(g_1) "*Office expenses and miscellaneous*".—The charges on account of the collection and despatch of Steatite to Messrs. Sugg and Co. (*vide* G.O., No. 4363, Revenue, dated 20th August 1897) amounting to Rs. 355-0-6 have been debited to this head. Further charges on this account remain to be paid. As this item of expenditure was not provided for in the sanctioned estimate, a sum of Rs. 755 is now included on that account in the revised estimate.

(g_2) *Record-racks (Budget estimate).*—A sum of Rs. 200 has been provided for new racks, which are very much needed.

(g_3) *Purchase of European articles each costing not less than Rs.* 5 *(Revised estimate).*—A sum of Rs. 700 is provided for the purchase of 2 typewriting machines, for which sanction will be applied for separately.

(g_4) *Purchase of European articles each costing not less than Rs.* 5 *(Budget estimate).*—A provision of Rs. 225 is made for the purchase of a messenger's bicycle, for which sanction will be applied for separately.

(g_5) *Purchase of country articles each costing less than Rs.* 50 *(Budget estimate).*—A sum of Rs. 500 is provided for replacing in part the old dilapidated desks and chairs in use in the extra section of the office by new furniture.

16,481	
4,209	(*k*).—Out of this amount a sum of Rs. 5,421 was proposed in Board's Proceedings, No. 2855, dated 28th April 1898, to be transferred to the Survey budget to provide for the entertainment of a temporary establishment for the preparation of village maps and field-measurement books in the Nilgiri district.
2,843	(*l*) *Pay of Assistants on Rs.* 250 *(Revised Estimate).*—Decrease due to the post of Uncovenanted Assistant of No. VI Party being kept vacant.
100	(*m*) *Supervisor, Clerks, Classifiers and Servants (Revised Estimate).*—Decrease due to acting arrangements, unfilled vacancies and fines.
18,534	
5,537	(*n*) *Temporary Establishment (Revised Estimate).*— The revised estimate is taken at the same figure as the sanctioned estimate, as in the event of orders on the settlement schemes for Gódávari and Kristna (part) being received before December next, a large temporary staff will have to be entertained for the preparation of the necessary accounts.
11,308	(*o*) *Tentage of Special Settlement Officer (Revised estimate).*—Decrease due to Special Settlement Officer's appointment being kept vacant during the absence of the permanent incumbent on other duty.
...	(*p*) *Travelling Allowance of Officers (Revised Estimate).*—Decrease chiefly due to the posts of the Special Settlement Officer, and one Assistant Commissioner being kept vacant for a portion of the year and that of one Deputy Commissioner for the whole year.
42,531	(*q*) *Travelling Allowance of Establishment (Revised Estimate).*—Reduced with reference to the actuals of the first four months and the probable expenditure of the remaining months.

1,847	(*s*) *Peons' belts and badges (Budget Estimates).*—The officers in charge of Settlement Parties ask for Rs. 392, for renewal of belts supplied more than two years ago; considering the actuals of past years, a sum of Rs. 200 is provided.
1,013	(*t*) *Carriage of Stationery and Records (Revised Estimate).*—Increase in the revised estimate is due to provision being made to meet charges in connection with the anticipated removal of No. I Party from Anantapur District towards the close of the year, and to meet additional expenditure which may be necessitated by the impending re-settlement of the Gódávari and Kistna Districts.
2,923	(*u*) *Postage charges.*—Increase appears in Parties Nos. I, II and III and is due in Parties I and II to the actuals of the first four months having exceeded the proportionate budget grant and in No. III Party, to the provision made for the impending re-settlement of the Gódáveri and Kistna Districts.
...	(*v*) *Rents, rates and taxes (Revised).*—Decrease chiefly due to the fact that No. V Party is now accommodated in a Government building.
49	(*w*) *Binding charges (Revised and Budget Estimates).*—Increase due to inclusion of provision for binding the Settlement Registers of the Wynád, which are now being printed.
24	(*x*) *Landing and Shipping Charges (Revised).*—Revised with reference to actuals of the first four months, which amounted to Rs. 33.
...	(*y*) *Packing Charges and Petty Carriage and Cooly charges.*—These have been included in the estimates for "Carriage of Stationery and Records."

(g¹) *Travelling Allowance of Agricultural Inspectors and Contingencies (Revised Estimate).*—Decrease due to the fact that the Inspectors were employed in the Central office till August last.

General Remarks.—No provision has been made in the Budget Estimate for the additions to the Land Records staff contemplated in G.O., No. 413, Revenue, dated 27th July 1898, as the detailed scheme called for in the Government Order is not yet ready. The Board would suggest that a lump provision of Rs. 1,60,000 may be made, the said sum being as near an approximation to probable requirements as the Board can at present arrive at.

Certified that the actuals as entered above are those shown in the departmental accounts; they have been verified with the statements furnished by the Accountant-General and all discrepancies noticed have been duly pointed out to him. There is a difference of Rs. 5,191 between the actuals of 1897-98 under "Revenue Settlement" as entered in this Budget and as reported in the Settlement Administration Report submitted with Board's Proceedings, No. 284, dated 5th August 1898. This sum is made up of the following items :—

	Rs.
Deduct—Charges for printing Settlement registers shown in the Budget for "30 D. Stationery and Printing—Printing at Private Presses—Printing Settlement Registers"	— 5,445
Add—Amount reported in the Accountant-General's final statement of charges for March 1898 received subsequent to the despatch of the Administration Report	+ 254

From The Board of Revn (R.S. & R & A).

No 365 Dated 29th September 1898.

FOR ORDERS.

To under Secy:-

The revised estimates for the current year and the budget estimates for the ensuing year under 3-B. Revenue Settlement and 3.C. Land Records & Agriculture are shown below in comparison with the actuals of the past year and the budget estimate for the current year:-

		Accounts 1897-98 Rs	Budget estimate for 98-99. Rs	Revised estimate for 98-99. Rs.	Budget estimate for 99-1900 Rs.
Revenue Settlement	Controlling office.	97,841	88,500	94,500	90,200.
	Settlement Parties.	2,00,875	2,44,200	2,14,300	2,45,500
	Total Settlement	2,98,716	3,32,700	3,08,800	3,35,700

	Total Land Records & Agri.	56,025	58,500	55,600	58,800.

2.

2. The Board's estimates appear to have been framed on a careful calculation of details and the variations have been satisfactorily explained. The main points will be briefly noticed below:

3. Revenue Settlement: Controlling office:- The revised estimate under this head shows an increase of Rs 6000 as compared with the budget estimate for the current year and is due to the following causes:-

	Rs	
(i) Increased provision under Members Salary due to the 1st and 2nd members having been on privilege leave	4,520	
(ii) Provision made for the purchase of two typewriting machines	700	
(iii) Provision made for the collection and despatch of statistics recently ordered to be debited to this head	750	
	5,970	

The Board states that separate sanction of Govt will be applied for for the purchase of the typewriting machines.

	Rs
Actuals of 97-98	97,841
Budget 98-99	88,500
Revised do	94,500
Budget 99-1900	902,00

The budget estimate for the ensuing year shows an increase of Rs 1700 as compared with the budget estimate for the current year and is due to the following causes:-

	Rs	
(i) Increased provision made for additional staff required for printing Tribunal Settlement Registers	1000	
(ii) Provision for Record Racks	200	
(iii) Purchase of a bicycle	225	
(iv) Provision made for replacing old furniture	500	
	1,925	

As regards item (ii) the Board states that the racks are very much needed. The Board states that it will apply for separate sanction as regards item (iii) purchase of a bicycle.

It is submitted that the estimates under this head may be accepted. No retrenchment seems called for.

4.

4. Revenue Settlement:-

Settlement Parties:- The revised estimate shows a decrease of Rs 29,900 as compared with the budget estimate for the current year. The main reasons which have contributed to this saving are as follows:-

	Rs
(i) Decrease due to one Dy Commr 1st Grade not having been filled and to the absence of the Special Settlement Parties on other duty	19,110
(ii) Decrease due to acting arrangements, unfilled vacancies and fines	5,127
(iii). Decrease due to Inconvenience Asst no XII Party being kept vacant	2,790
(iv). Decrease due to less provision made for allowances owing to (i) to	3,062
	30,189

It will be seen from the above that the main cause of the Decrease is due to the appointment-

	Rs
Actuals 97-98	200,875
Budget 98-99	2,44,200
Revised do.	2,14,300
Budget 99-1900	2,45,500.

Please see cover file

Part of this is now to be transferred. MK

The provision for the post of 1 Sett Officer & for Special Sett Parties shd apparently be struck. They will be needed if the Govt passes orders on (1) Godavari Resettlement & Kistna Resettlement (2) the proposals for more speedy registration of sanad titles

appointment of one Dy Commr 1st Grade not having been filled up and to the absence of the Special Settlement Officer.

As regards the budget estimate for the ensuing year it will be observed that it exceeds the budget estimate for the current year by Rs 1,300 and is due to a provision of Rs 1,200 made for the grant of charge allowance of Rs 100 p. m. to Mr. R. R. Varsunkadu Naidu. As the charge allowance has recently been disallowed this provision as also the provision of Rs 700 made in the revised estimate may be cut out.

5. The provision made for "Land Records & Agriculture" calls for but a few remarks. The decrease in the revised estimate is mainly due to the fact that no training was done by the Deputy Director during the first six months of the year.

6. In this connection the

the Board states that no provision has been made in the budget estimate for the additions to the Land Records staff contemplated in G.O. No. 413 dy 27.7.98 as the detailed scheme called for by Govt is not yet ready. The Board accordingly suggests that a lump provision of Rs 1,60,000 may be made this being as near an approximation to probable requirements as the Board can at present arrive at. It is not known on what basis this figure has been arrived at.

It is however submitted that the scheme for the creation of the Land Records Dept is not likely to ~~[illegible]~~ be sanctioned by the Govt of India and the Secy of State ~~before~~ in time for its introduction during the ensuing official year. No provision need therefore be made in the budget of the ensuing year for the purpose. If the scheme

scheme is to be introduced next year it might perhaps be possible to allot additional funds for the purpose.

HR

Secy

Please see points in order above.

The important question is whether any provision for a reorganised Land Records Dept should be made. It seems very improbable that the scheme will be sent up to India before the end of six months & it has also to go to the Secy of State. No provision next year (1899-1900) seems necessary.

This budget has been examined and there is no objection to the draft order being accepted and issued in the Financial Department.

2. In the revised estimates however the provision (Rs750) made under 3. Land Revenue - Survey and Settlement - Revenue Settlement - Controlling Office, for charges on account of the Collection and despatch of Stastite to England appears insufficient, as ~~the~~ these charges ~~are shown exceeded~~ in Cuo. 2841 in the linked file ~~are stated~~ to amount to Rs 1139. The difference should also have been provided. Further from the Statement flagged A in the linked file, it appears that these charges were all paid within the last official year, in which case, no provision would be necessary

in the revised estimates for the current year. But as the revised estimate will undergo alterations at the hands of the Accts: Genl: up to late in the year the present estimates need not be detained while the point is being settled in Connection with the linked file.

Contingencies—			Purchase of European Articles each costing less than Rs. 5	20		20		20					(g) *Contingencies.*—The expenditure under this head has to be considered along with that under certain corresponding heads under "3C. Settlement Controlling Office", (2) "3C. Establishment for preparing Revenue and Agricultural Statistics" and (3) "do. Irrigation Accounts Department." It is not possible to apportion the exact amounts debitable to each head and no such apportionment is therefore attempted. In debiting expenditure, care is taken that the amount allotted under each head is not exceeded during the year. It will be seen that the actuals up to July under "3B. Settlement Controlling Office" are small proportionately, while those under "3C. Establishment for preparing Revenue and Agricultural Statistics" are large; but the total expenditure under the two heads—3B. Settlement and 3C. Statistics and Irrigation—up to the end of July 1898 is about Rs. 1,900, out of the total grant of Rs. 5,204.

Petty Carriage and Cooly Charges					
Office Expenses and Miscellaneous					

(f) *Mounting and Binding charges (Revised estimate).*—The actuals up to August 1698 were small, but the work is now being vigorously pushed on with, and it is expected that the sanctioned estimate will be fully worked up to.

(g) *Contingencies.*—The expenditure under this head has to be considered along with that under certain corresponding heads under "3C. Land Revenue—Land Records and Agriculture." The contingent expenses of the office of the Board in this Department are met from the provision made under (1) "3B. Settlement Controlling Office", (2) "3C. Establishment for preparing Revenue and Agricultural Statistics" and (3) "do. Irrigation Accounts Department." It is not possible to apportion the exact amounts debitable to each head and no such apportionment is therefore attempted. In debiting expenditure, care is taken that the amount allotted under each head is not exceeded during the year. It will be seen that the actuals up to July under "3B. Settlement Controlling Office" are small proportionately, while those under "3C. Establishment for preparing Revenue and Agricultural Statistics" are large; but the total expenditure under the two heads—3B. Settlement and 3C. Statistics and Irrigation—up to the end of July 1898 is about Rs. 1,900, out of the total grant of Rs. 5,204.

The revised estimates have therefore been taken at the same figures as the sanctioned estimates, except in the cases explained below:—

(g1) "*Office expenses and miscellaneous*".—The charges on account of the collection and despatch of Steatite to Messrs. Sugg &c., Co. (*vide* G.O., No. 4363, Revenue, dated 20th August 1897), amounting to Rs. 355-0-6 have been debited to this head. Further charges on this account remain to be paid. As this item of expenditure was not provided for in the sanctioned estimate, a sum of Rs. 755 is now included on that account in the revised estimate.

(g2) *Record-racks (Budget estimate).*—A sum of Rs. 200 has been provided for new racks, which are very much needed.

(g3) *Purchase of European articles each costing not less than Rs. 5 (Revised estimate).*—A sum of Rs. 700 is provided for the purchase of 2 typewriting machines, for which sanction will be applied for separately.

(g4) *Purchase of European articles each costing not less than Rs. 5 (Budget estimate).*—A provision of Rs. 225 is made for the purchase of a messenger's bicycle, for which sanction will be applied for separately.

(g5) *Purchase of country articles each costing less than Rs. 50 (Budget estimate).*—A sum of Rs. 500 is provided for replacing in part the old dilapidated desks and chairs in use in the extra section of the office by new furniture.

* Under the control of the Commissioner of Revenue Settlement, Land Records and Agriculture. and Director of the Department

* Average of two years.

(*n*) *Tentage of Special Settlement Officer (Revised estimate).*—Decrease due to Special Settlement Officer's appointment being kept vacant during the absence of the permanent incumbent on other duty.

(*o*) *Travelling Allowance of Officers (Revised Estimate).*—Decrease chiefly due to the posts of the Special Settlement Officer, and one Assistant Commissioner being kept vacant for a portion of the year and that of one Deputy Commissioner for the whole year.

(*p*) *Travelling Allowance of Establishment (Revised Estimate).*—Reduced with reference to the actuals of the first four months and the probable expenditure of the remaining months.

(*q*) *License fee for the boat of the Deputy Commissioner, No. III Party (Revised and Budget Estimates).*—Increase due to the enhancement of the rates of license fee, according to revised navigation rules recently received.

(*r*) *Peons' belts and badges (Budget Estimates).*—The officers in charge of Settlement Parties ask for Rs. 392, for renewal of belts supplied more than two years ago; considering the actuals of past years, a sum of Rs. 200 is provided.

(*s*) *Carriage of Stationery and Records (Revised Estimate).*—Increase in the revised estimate is due to provision being made to meet charges in connection with the anticipated removal of No. I Party from Anantapur District towards the close of the year and to meet additional expenditure which may be necessitated by the impending re-settlement of the Gódávari and Kistna Districts.

(*t*) *Postage charges.*—Increase appears in Parties Nos. I, II and III and is due in Parties I and II to the actuals of the first four months having exceeded the proportionate budget grant and in No. III Party, to the provision made for the impending re-settlement of the Gódávari and Kistna Districts.

(*u*) *Rents, rates and taxes (Revised).*—Decrease chiefly due to the fact that No. V Party is now accommodated in a Government building.

(*v*) *Binding charges (Revised and Budget Estimates).*—Increase due to inclusion of provision for binding the Settlement Registers of the Wynaad, which are now being printed.

(*w*) *Landing and Shipping Charges (Revised).*—Revised with reference to actuals of the first four months, which amounted to Rs. 33.

(*x*) *Packing Charges and Petty Carriage and Cooly charges.*—These have been included in the estimates for "Carriage of Stationery and Records."

General Remarks.—No provision has been made in the Budget Estimate for the additions to the Land Records staff contemplated in G.O., No. 413, Revenue, dated 27th July 1898, as the detailed scheme called for in the Government Order is not yet ready. The Board would suggest that a lump provision of Rs. 1,60,000 may be made, the said sum being as near an approximation to probable requirements as the Board can at present arrive at.

Certified that the actuals as entered above are those shown in the departmental accounts; they have been verified with the statements furnished by the Accountant-General and all discrepancies noticed have been duly pointed out to him. There is a difference of Rs. 5,191 between the actuals of 1897-98 under "Revenue Settlement" as entered in this Budget and as reported in the Settlement Administration Report submitted with Board's Proceedings, No. 284, dated 5th August 1898. This sum is made up of the following items:—

		Rs.
Deduct—Charges for printing Settlement registers shown in the Budget for "30-D. Stationery and Printing—Printing at Private Presses—Printing Settlement Registers"	—	5,445
Add—Amount reported in the Accountant-General's final statement of charges for March 1898 received subsequent to the despatch of the Administration Report ...	+	254
