NOVEMBER.

Famine Expenditure.

Accepting the estimates of — for October 1898 submitted by the Board of Revenue.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), No. 393, dated 12th October 1898.

*Resolution*—No. 393, dated 12th October 1898.

With reference to paragraph 3 of G.O., No. 33, Financial, dated 5th January 1898, and G.Os., No. 731, Financial, dated 25th August 1898, and No. 550, Revenue, dated 23rd September 1898, the Board begs to submit a statement showing the actual expenditure up to the end of September as reported by the Accountant-General and the Examiner of Public Works Accounts and estimates for the expenditure probable in the current, the next, and the succeeding months of the current year.

2. The statement of expenditure in the Public Works Department was received only on the 12th October 1898, while the particulars of charges under 33-G. have not been furnished by the Accountant-General. Information has been received from that officer that particulars up to August only are available and that the expenditure up to September will not be available till the beginning of November.

3. As shown at paragraph 2 of B.P., No. 344, dated 13th September 1898, the Board finds it impossible to furnish explanations for variations between the actuals and the estimates for September without a reference to the Collectors concerned. The statements received from the Accountant-General and the Examiner of Public Works Accounts will now be communicated to them with the request that all noticeable variations between the figures shown therein and the estimates framed for September 1898 may be explained. Reasons for incurring expenditure where no estimates were submitted should also be reported at an early date.

4. The reports referred to in paragraph 1 of the G.O., No. 550, dated 23rd September 1898, have not yet been received from the Collectors concerned. They will be requested to submit them without further delay.

5. Relief operations are now in progress only in Nellore. A provision of Rs. 750 is made for 300 persons on relief works and Rs. 75 for 37 persons on gratuitous relief. The Collector expects that no expenditure will be required in November unless the north-east monsoon fails. Assuming a normal monsoon, the Board considers that some provision should also be made for November to meet charges incurred during October but which may come for payment only in November.

6. The small provision made against the other districts is chiefly on account of establishments retained in weavers' depots where there are still stocks of cloths not disposed of and for the clearance of arrear claims, and contingent charges in connection with the weavers' relief scheme. In the case of Ganjam and Cuddapah, the

Collectors have not furnished details of the sub-heads under which the expenditure will fall, nor have the Collectors of Anantapur and Ganjam stated in which month the expenditure will be incurred. It has been noted in these cases under October.

7. It is observed that in the statement of expenditure received from the Accountant-General the estimates reported are not the latest ones accepted by Government as required in G.O., No. 466, dated 23rd August 1898.
