Resolution.—In the letter addressed by the Government of India in the Finance and Commerce Department, to the Accountant-General, Punjab, in July 1897, it was ruled that the travelling allowance of Medical Warrant officers in independent medical charge of civil stations should be regulated in accordance with their military rank, as laid down in article 1096 of the Civil Service Regulations. Under these orders Military Assistant Surgeons who hold independent medical charge of civil stations cannot draw travelling allowance at first-class rates.

2. In April 1898 the Government of India, on the recommendation of the Chief Commissioner of the Central Provinces, sanctioned, as a special case, the continuance to two Military Assistant Surgeons in independent medical charge of civil districts of the privilege of drawing travelling allowance at the rates laid down for first-class officers in the Civil Service Regulations. The Chief Commissioner has, in his letter of the 20th June last, recommended the grant of this concession to another Military Assistant Surgeon who is similarly situated, and the Government of the North-Western Provinces and Oudh has also made a similar suggestion in favour of the officers on the same footing in those Provinces.
