LOCAL AND MUNICIPAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the President, District Board, North Arcot, P. on C. No.

1154/D.B., dated 12th September 1898.

Government having sanctioned the starting of four Road frontier inspection stations on the plateau of this district bordering on Mysore territory, the Collector of North Arcot has asked me to at once supply funds for the erection of segregation sheds &c., and to provide for the necessary establishments and contingencies at these inspection stations. The number of these inspection stations may have to be increased. Funds are also required to provide for the maintenance of the plague camp recently established at Pakala. The provision of Rs 1000 made in the current year's budget for the sheds at the Arkonam Plague camp has already been almost entirely exhausted in strengthening that camp. The District Board's finances are now much crippled, its balance being far below the 5 per cent limit laid down by Government, Para. 3 of G.O. No. 1235 A.L. dated 30th June 1897 prohibits allotments from 5 per cent balance and directs the recasting and revision of budgets, with the approval of Government, in extraordinary circumstances like those under consideration. The allotments budgetted for the current year under the various service heads are barely sufficient and cannot be diverted without impairing the efficiency of the District Board's administration.

2. The District Board has therefore resolved to move Government to allow the budget to be recast by transferring Rs 10,000 for plague expenditure from the contribution of Rs 37,770 to Provincial Funds for Famine expenditure provided in the budget under grant I. In view of the pressing demands for funds they have also in anticipation of the sanction of Government sanctioned allotments from the proposed budget provision amounting to Rs 350. A
