As the Epigraphist is on furlough for 2 years and no successor has been appointed, no figures are entered in the budget for the next financial year against "Exchange Compensation" and "Travelling allowance" of Epigraphist. Under "Epigraphist's Salary" the actual salary for the first six months and the furlough allowance for the next 6 months are entered. In the revised estimate no provision is made for Exchange compensation during the remaining months of the year.

As the establishment will be fully occupied with Epigraphical work no photographs are expected to be taken and accordingly the grant of Rs 50 under this head is omitted both in the revised estimate and in the budget.

(1) In this office No. 132 of 22 April 1898 application has been made for an increase of salary from Rs 50 to 75-7-110 to the Banarasi assistant.

(2) The acting allowance granted to the Banarasi assistant during the absence on privilege leave of the First assistant for two months is included in the accounts and in the revised estimate.

(3) In this office No. 132 of 22 April 1898 and 244 of 26 July 1898 application has been made for the grant of hill allowances to the establishment. It is there proposed that this additional expenditure might be met from savings under "Epigraphist's pay" and under "Travelling allowances".

(4) The allotment under this head is expected to be utilized during the current official year.

(5) As the present office accommodation is insufficient, application has been made in this office No. 132 of 22 April 1898 for a grant of Rs 40 per month under this head.

From

The Government Epigraphist

The Chief Secretary to Government

Sc

With reference to your Memo-
randum dated the 15th instant,
I have the honor to return the budget
for 1899-1900 duly reviewed. I see
no objection to any of the alterations
made in the Secretariat with
the exception of the reduction
of the allotment against "Dahbers
and brushes", from Rs 90 to
Rs 10 which sum will hardly
suffice. The supply of dahbers
and brushes purchased from
the allotment of Rs 90 for the current
year, will be very nearly exhausted
in

in the tour in the Bombay Presidency
and the Nizam's Dominions, proposed
by Dr. Hultzsch for the next field season,
and a fresh stock will be necessary
for 1899-1900. I understand that the
smallness of the expenditure under
this head in 1897-98 is due to there
having been then a considerable
stock in hand. I suggest that
Rs 50 be sanctioned under this head for
1899-1900.

2. In the revised estimate the
figure 5850 which was entered in
this office against "Epigraphist's Salary"
consists of Rs 3900 (Salary for 6 months
actually drawn by Dr. Hultzsch) plus
Rs 1950 (furlough allowance for the
remaining months of the year).
As leave allowance payable in
England should not be provided for
according to rule 61 quoted in the memo-
randum under reply, I have altered
5850 into 3900.

3. The other alterations made
in the budget in this office are explained
in foot-notes. I have the honour to be,

Yours most obedient servant,
Albutterworth

- (x) As the establishment will be fully occupied with Epigraphical work, no photographs are expected to be taken and accordingly the grant of Rs. 50 under this head is omitted both in the revised estimate and in the budget.
- (a) In this office No. 132 of 22nd April 1898 application has been made for an increase of salary from Rs. 50 to 75—7—110 to the Canarese Assistant.
- (b) The Acting Allowance granted to the Canarese Assistant during the absence on privilege leave of the First Assistant for two months is included in the accounts and in the revised estimate.
- (c) In this office No. 132 of 22nd April 1898 and No. 244 of 26th July 1898 application has been made for the grant of bill allowances to the establishment. It is there proposed that this additional expenditure might be met from savings under "Epigraphists' pay" and under "Travelling Allowances" for the current year.
- (d) The allotment under this head is expected to be utilized during the current official year.
- (e) As the present office accommodation is insufficient, application has been made in this office No. 132 of 22nd April 1898 for a grant of Rs. 40 per month under this head.

It is expected that accommodation will be provided for this office in the next building (vide G.O. No. 1225 Public, dated 27 September 1898) at least from the next official year no provision is made under this head in the budget.
