PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Director of Public Instruction, Madras, No. 425, dated 20th January 1898:—

With reference to G.O. No. 737, Educational, dated 14th December 1897, I have the honour to invite the attention of Government to the reduction of Rs. 15 in the provision for "Cloth for dusters" for the Teachers' College, &c., in the budget estimates of expenditure for 1898-1899, and to state that the reduced ~~est~~ allotment is not sufficient to meet the requirements of the Teachers' College, Saidapet, and the Training Section of the Rajamundry College. The reduction seems to have been made under a misapprehension. In ^{an} Arts College there is only one black-board for each class and it is as a rule used only by ^{the} teacher for purposes of class instruction. But in the Training Colleges, in addition to the teachers, about 50 students have to use the black-boards every day, the black-board exercises forming a very important part of the training course. I beg therefore to request that the provision for dusters may be raised to Rs. 17, the allotment originally proposed by me, the increase being met, if necessary, by ^a corresponding reduction in the provision of Rs. 56 for "Miscellaneous" under Contingencies for Teachers' Colleges

ORDER:—

ORDER:-No. 48, dated 26th January 1898.

The proposal in the last sentence of the foregoing letter is approved.

2. The Director of Public Instruction should have explained the cause for the increase in the budget estimate.
