NOTE FOR THE CHIEF ~~SECRETARY.~~

Encl Enq 2747

This paper has come home among others from the Indian Secy.

May I ask if it is necessary a note to report the death of Mr G. Simpson & the Home Govt?

The Secy of State's despatch of Apr 1870 refers to men who have come out from England & entered the uncovenanted service of Govt. in Burma.

The late Mr G. Simpson, though of European parentage, was a Statutory native of Burma -

Ch

Articles 28 & 856 refer to European persons only & it is hoped that this report should be forwarded

Please see the notes below. It is submitted that Financial has very little to do with this case and Public points out that the paper does not exactly belong to that dept. Each dept. reports the death of pensioners who belong to services over which it has control ordinarily. This paper belongs either to Pension or to P. W. Dept (which deals with such telegraph matters as fall to this Dept). The deceased in this case was a Ceylon pensioner & it will for that reason fall should perhaps dispose of the paper. Draft is subd. below.

The G.O. quoted in Mr. Simpson's note is G.O. No. 989 Rev Dy. 30. June 1870; but articles 28 & 856

If this was a State leg- matter I do not think I ought to see it. Either that Mr. Collen reports to Govt. I want his decision in Mr. Simpson's note.

the deceased in this case had a

suffice if report the death to the
