PROCEEDINGS OF THE MADRAS GOVERNMENT

Read the following paper:—

Letter from the Inam Commissioner, R.C.No.330 of 1898 dated 23rd November 1898:—

In reply to para 1 of G.O. No.4458 Mis. dated 15th Nov 1898, I have the honour to state that the proposition statement therein called for will be submitted on receipt of the same from the Collector.

2. With reference to para 2 of the G.O., I beg to report that there will be a probable saving of Rs.380 in the revised estimate for 1898-99, owing to the deputation of the Manager, Central Office, as acting Tahsildar. I request sanction to utilize this saving in filling up from the 1st Proximo the Examiner's post on Rs.80 and two of the four copyists' posts all of which are now vacant. Provision has been made in the Budget Estimates of this department for 1899-1900 for the full sanctioned establishment. The necessity however for entertaining immediate an examiner and two copyists arises from the fact that the work of issuing Title Deeds for, and copying fair Inam Registers of, about 1300 cases of garden inams in the Cuddalore Municipality and of certain personal inams in the shotriem villages of the Cuddalore district is delayed owing to the existing Central Office Establishment being unable to cope with the increased work thrown on it. Moreover the work of revising the quit-rents in about 20,000 cases of village service inams in the Anantapur and

and Bellary districts is expected to come up in whole or in part before the close of the current calendar year. The additional cost entailed by these proposals, viz. Rs. 330 can be met from the savings pointed out above.

A statement showing the alterations to be made in the revised estimate for 1898-99, with reference to my proposals, is submitted.

The additional allotment of Rs. 200 asked for in this Office letter referred to in the G.O. under reply becomes unnecessary.

A very early reply is requested.
