GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), Mis. No. 4618, dated 29th July 1898:—

Read—Replies of Collectors to Board's Proceedings, Mis. No. 8275, dated 11th October 1897, communicating G.O., No. 853, Revenue, dated 6th October 1897.

Resolution—Mis. No. 4618, dated 29th July 1898.

With reference to G.O., No. 853, dated 6th October 1897, the Board begs to submit a consolidated list of the officers, not belonging to the Public Works Department or to the ordinary revenue administration in the affected districts, who were placed on famine duty from time to time with the dates of their deputation and reversion, and the salaries drawn at the time of, and during deputation.

2. It will be seen that of the 49 officers mentioned in the list, 36 are officers of the Salt and Abkari Department, 6 are Head and Deputy Surveyors, 4 Stock Inspectors and 3 Agricultural Inspectors. It is presumed that the rates of allowance sanctioned in the Government Order quoted above for the officers of Salt and Abkari Department are also applicable to the officers of other departments of the same grade of pay.

3. With the exception of seven officers who were employed as Taluk Relief officers, and two who worked as Fodder Superintendents, the rest were appointed as Circle Inspectors or Paymasters. Specific rates of pay are attached to these posts (Rs. 70 or less for Circle Inspectors including travelling allowances and Rs. 50 or less for Paymasters under section 40 of the Code, as modified by G.O., No. 410, dated 31st May 1897. Some of the Circle Inspectors and Paymasters have already drawn pay at these maximum rates which are in excess of the salaries of their substantive appointments, but not to the same extent as the extra allowances sanctioned in G.O., No. 853, dated 6th October 1897, would make them. The increase of pay admissible under that order is in each case shown in the last column of the statement herewith submitted.

4. In the case of Nos. 2, 40, 41 and 43 to 49 in the list, the maximum rates of pay admissible under section 40 of the Code, as modified by G.O., No. 410, dated 31st May 1897, have not been paid. If the officers in these cases are paid at the maximum rates, they will have drawn the full extra remuneration allowed by G.O., No. 853, dated 6th October 1897, and it will not then be necessary to create special appointments under section 30 of the Code for them. In all other cases and, in the case of No. 43, for the period that the officer was employed as Fodder Superintendent, special appointments have to be created under section 30, unless the Government considers that in the case of those officers who have already drawn some increase of pay, though not to the extent contemplated by G.O., No. 853, dated 6th October 1897, no further increase need be allowed.

5. The Agricultural and Stock Inspectors employed in Bellary and Kurnool as Circle Inspectors drew the travelling allowances of their rank in addition to the salary of their regular appointments; but apparently the Stock Inspector, who was similarly employed in Ganjam, drew no such allowances.

ENCLOSURE—One.

READ—also the following Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), Mis. No. 6224, dated 21st October 1898:—

Read—again the following letter from H. D. TAYLOR, Esq., I.C.S., Acting Collector of Ganjam, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated Chatrapur, 29th September 1898, No. 2344-D.:—

In forwarding herewith copy of Accountant-General's letter, No. I.A.C.M.—117, dated 19th August 1898, I have the honour to request that the early sanction of Government may be obtained to the payment of the allowance referred to.

2. In G.O., Mis. No. 6051, dated 23rd November 1897, a specific allowance of Rs. 100 was sanctioned to Sub-Inspector Mr. Gooch for the period that he was employed as Relief officer and the Accountant-General's present objection is based on the fact that no specific sanction was obtained in regard to Messrs. Bindly and Stone.

3. The list called for in G.O., No. 853, dated 6th October 1897, was submitted to the Board with my letter, No. G.B. 338-F., dated 19th December 1897.

4. No orders have yet been received thereon and the Accountant-General meanwhile declined to accept the general authority conveyed under G.O., No. 853, dated 6th October 1897, to the grant of an allowance of Rs. 100 to Inspectors of Salt and Abkari employed as Taluk Relief officers without the same being specially sanctioned to each officer by name.

Read—the following letter from J. P. BEDFORD, Esq., Deputy Accountant-General to the Government of Madras, to the Treasury Officer, Ganjam, dated 19th August 1898, No. I.A.C.M.—117:—

In continuation of this office letter, No. I.A.C.M.—65, dated the 4th July 1898, I have the honour to enquire whether specific sanction of Government has been obtained for the deputation allowance of Rs. 273-5-8 paid on 6th November 1897 to Mr. J. J. Bindly, and for the allowance of Rs. 263-15-0 paid on 4th January 1898 to Mr. F. W. M. Stone as Taluk Relief officer in your district.

If no sanction has been received as yet, it is requested that steps may be taken to obtain sanction as early as possible and that meanwhile the amounts paid to the officers be recovered without delay. They can, of course, be refunded to them subsequently on the allowances being sanctioned by Government.

Reference on the above, dated 5th October 1898.

The Accountant-General is requested to state whether his attention has been drawn to G.O., No. 853, dated 6th October 1897, in which specific rates of allowance were sanctioned for officers of the Salt and Abkari Department deputed on famine duty.

(Signed) R. V. SRINIVASIAH,
Secretary.

No. 692, REVENUE, 19TH NOVEMBER 1898.

Read—also the following letter from T. HESKETH BIGGS, Esq., Accountant-General to the Government of Madras, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated 14th October 1898, No. I.A.C.M.—138 :—

In reply to Board's Reference, G.R. No. 6680, dated the 5th October 1898, I have the honour to state that G.O., No. 853, Revenue, dated 6th October 1897, is not final, as it is expressly stated therein that the decision to grant deputation allowance will be given effect to by the creation of special appointments under section 30 of the Famine Code on the Famine Commissioner's submitting a list of officers deputed to famine duty.

I am not aware of any further order having been issued by Government in the matter, and in these circumstances, the special sanction of Government for payment of the extra allowance is necessary, which I request you to be so good as to obtain.

Resolution—Mis. No. 6224, dated 21st October 1898.

Submitted to Government in continuation of Board's Proceedings, Mis. No. 4618, dated 29th July 1898.

2. From the letter forwarded by the Collector, it appears that the Accountant-General now requires a specific sanction in each case before the allowances sanctioned for officers of the Salt and Abkari Department in G.O., No. 853, dated 6th October 1897, can be paid to them. A list showing the officers so employed, whose names were not included in the list submitted with the proceedings above quoted, is appended. Their names were omitted, as it was understood that the Government Order quoted contained a specific sanction for the special allowances to them.
