Endorsement.
MEMORANDUM.

Dated Madras, 17 December 1898.

Letter from the Superintendent of Works, Lighthouse Division, No. 1358, dated 26th October 1898.

Endorsement from -do- No. 1451, dated 3rd December 1898.

Transferred to the Financial Department, with reference to G.O. No. 342 Financial dated 19th May 1896.

2. Mr. Plummer's prolonged halt at Colombo was necessary in the interests of the public service. The Government of India in their letter recorded with G.O. No. 34 Financial dated 14th January 1896 say that Art. 1159 (b) G. S. Regulations is intended to enable Local Governments to prevent the 10 days' limit operating as a hardship where an Officer is obliged to continue "expenditure of the kind which Traveling allowance is intended to meet"; but they do not define the kind of expenditure so to be met and Art. 15 G. S. Regulations is not given as the definition, although attention was drawn to it in para 2 of the Chief Secretary's letter to that Government No. 897 Financial dated 14th November 1895. The withdrawal of daily allowance to cover his extra expenses for the days Mr. Plummer stayed at Colombo beyond the ten days' limit, would, in the opinion of the P. W. Department, be a distinct hardship, such as requires a remedy. The only

remedy

Note: The P. W. Dept can have no independent opinion - is advised from the opinion of Govt - The Secy may have

remedy open in this case seems to be the grant of the exemption
applied for.
