FORT ST. GEORGE,
ACCOUNTANT-GENERAL'S OFFICE,
September 1899.

Accountant-General.

To the Chief Secretary to Government, Financial Department.

No. 19 P.

C. No. 3177.

The A.S. is right in one way - as he is comparing the supplies for the quarter with the estimate for the quarter - but as the estimate is monthly & the supplies are quarterly the estimate will only answer only for the third month of each quarter. Tell him to enter the latest annual estimate.

NOTE FOR THE C.A.

The statement of supplies placed charges under the head for June 1888 with reference to f.o. No 865 Final dated 14th August 1888. These statements have been checked. The following points are noted.

(1) On page 3, the total expenditure for Salon comes to Rs 5665-6-5. The figure 5665 is evidently a typographical error.

(2) The latest estimates quoted by the A.S. in pages 6, 7, 10 & 11 are those given in column "Estimate for the current first quarter" in f.o. No 569 Final dated 3rd May 1888. The A.S. should quote the total estimates for the year given in f.o. No 906/7 Final dated 17th August 1888 - the latest f.o. re plaque estimates.

the attention of the A.S. may be drawn to this point.

(3) The figure (64-5-0) shown in page 6 against salary under 19 A. Law & Justice should be transferred to 24 A. Madras as it represents the pay of the Magistrate at Tanjore invested with Magisterial powers.

(4) The figures given under 24 A. Madras Establishment against Transfers North and of imburse include items which represent the cost of additions to the establishment of District Sanitary Officer. They should be transferred to 24 A. Local - indirect.

(5) In page 10, a sum of Rs 75 has been entered against Transfers under 18-8-1 administration as Local - indirect charges. It is not clear what this amount represents and the A.S. may be requested to furnish particulars of this item.

The A.S. may be asked to submit revised statements, if necessary, with reference to the above points.
