G.O., Mis. No. 948, Financial, dated 31st August 1899.

Read—the following letter from T. HESKETH BIGGS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 28th August 1899,—No. T. 5816:—

In continuation of my telegram, dated the 27th August 1899, I have the honour to submit a provisional statement showing the total plague charges of the year 1898-99 as they stand in the Provincial and Local Fund (Act V of 1884) and Port Funds accounts after making adjustments in accordance with Government orders.

2. As explained in my telegram complete information has not yet been received from all districts. Statements showing the charges under detailed heads are now being sent to the press, and if the information still required is not received by the time the proofs are received and examined, any further adjustments that may be found thereafter to be necessary will be made in the accounts of the current year.

3. As regards Municipalities, all the necessary adjustments are being made by cash payments, which must appear in the accounts of the current year. The accounts of 1898-99, therefore, are not affected. A statement of the amounts thus paid will be submitted in a few days.

Order—Mis. No. 948, Financial, dated 31st August 1899.

The following telegram will be despatched to the Accountant-General:—

"532. Reference statement received with your T.—5816, dated 28th August. Figures under PORT AND MARINE FUNDS not understood as all charges at ports apparently PROVINCIAL. Charges under LOCAL should be distributed according to Order 547, Financial, 18th June 1898. Information reported your telegram 27th instant due from Vizagapatam, Tinnevely and Malabar should also be embodied in the statement before distribution."

Telegram to the Accountant-General, Madras, dated 13th September 1899.

Telegram from the Accountant-General, Madras, dated 14th September 1899.

From T. HESKETH BIGGS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 18th September 1899, No. T. Genl.—6671.

With reference to G.O., No. 948, dated the 31st of August 1899, I have the honour to forward herewith, in print, complete statements of plague expenditure incurred from Provincial, Incorporated Local and Municipal funds during 1898-99.

2. The statements of Provincial and Local expenditure include all the adjustments necessitated by the principles laid down in G.O., No. 479, Financial, dated 4th April 1899, as explained by subsequent orders so far as Incorporated Local funds are concerned. But as regards charges paid by Municipalities in 1898-99, the necessary adjustments are being effected by payments in the current year as already explained in my letter, No. T.—5816, dated 28th August 1899.

3. A statement is herewith submitted showing the payments that have been ordered to be made to Municipalities on account of expenditure incurred by them during 1898-99, the amount shown against Berhampur and Madras will, however, be subject to a slight decrease if the information expected from them necessitates the exclusion of some of the items included in their claims.

Read—the following letter from T. HESKETH BIGGS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 28th August 1899,—No. T. 5816:—

In continuation of my telegram, dated the 27th August 1899, I have the honour to submit a provisional statement showing the total plague charges of the year 1898-99 as they stand in the Provincial and Local Fund (Act V of 1884) and Port Funds accounts after making adjustments in accordance with Government orders.

2. As explained in my telegram complete information has not yet been received from all districts. Statements showing the charges under detailed heads are now being sent to the press, and if the information still required is not received by the time the proofs are received and examined, any further adjustments that may be found thereafter to be necessary will be made in the accounts of the current year.

3. As regards Municipalities, all the necessary adjustments are being made by cash payments, which must appear in the accounts of the current year. The accounts of 1898-99, therefore, are not affected. A statement of the amounts thus paid will be submitted in a few days.

Order—Mis. No. 948, Financial, dated 31st August 1899.

The following telegram will be despatched to the Accountant-General:—

“532. Reference statement received with your T.—5816, dated 28th August. Figures under PORT AND MARINE FUNDS not understood as all charges at ports apparently PROVINCIAL. Telegram from the Accountant-General, Madras, dated 14th September 1899.

From T. HESKETH BIGGS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 18th September 1899, No. T. Genl. —6671.

With reference to G.O., No. 948, dated the 31st of August 1899, I have the honour to forward herewith, in print, complete statements of plague expenditure incurred from Provincial, Incorporated Local and Municipal funds during 1898-99.

2. The statements of Provincial and Local expenditure include all the adjustments necessitated by the principles laid down in G.O., No. 479, Financial, dated 4th April 1899, as explained by subsequent orders so far as Incorporated Local funds are concerned. But as regards charges paid by Municipalities in 1898-99, the necessary adjustments are being effected by payments in the current year as already explained in my letter, No. T.—5816, dated 28th August 1899.

3. A statement is herewith submitted showing the payments that have been ordered to be made to Municipalities on account of expenditure incurred by them during 1898-99, the amount shown against Berhampur and Madras will, however, be subject to a slight decrease if the information expected from them necessitates the exclusion of some of the items included in their claims.

NOTE FOR THE

the grant under 45. Civil works - is
charge of Civil Officer. The Accountant
General treated these temporary
grants as loans and carried out
similar adjustments in the case of
District Boards. There was no authority
for this action in either of these
cases. The Government of India has
refused the grant of the loans pending
the receipt of further information and
this Government will probably not
press the applications for the loans for
1898-99. The adjustments carried
out by the A.G. have since been
cancelled. The temporary grants
above referred to must be taken
in abatement of any grants made
out of the three lakhs assigned for
grants to Local bodies in G.O. 579 of
8-5-99 and the Local department
should surrender the total to
Financial.

Draft put up below.

26921.

The Accountant General has not
taken the widest charge into account
in distributing the expenditure under
Local among the District Boards.
This ~~will be done~~ ^{has been} ~~done~~ ^{in the statement - flagged} ~~separately~~.

C.

The Land & M. Department can now
proceed to the distribution of the 3
lakhs amongst Local Boards and
Municipalities.

It is submitted that the
figures now reported by the A.G. should
be considered as final for 1898-99
and to be independent of any
further change in classification.

2. Application on behalf of
certain Municipal Councils and
District Boards for loans from Imperial
grants under the Local Authorities
(Emergency) Loans Act of 1897
were submitted to the Government of
India towards the end of March 1899,
but pending the receipt of the orders
of that Government on the applications,
the Accountant General was requested
to place at the disposal of the
Municipalities concerned, as a
temporary measure, before the close
of the year, the amount required
by them by re-appropriation from
