1898.

Collector.

Plague Estimate for January 1899 from the Collector of Anantapur

Ref. On. C. No. 181, dated 7-1-99.

In Col.I. the estimates as most recently sanctioned by Government viz. those given in G.O.No.1122 Fin., dated 28-11-98, should have been adopted-vide paragraph 24(a) of the G.O. 24 D Local. The only establishment list submitted by the Collector relates to October 1898 and according to that list, the pay of the Apothecary is Rs.100. The estimate gives the rate of salary as Rs.120. If the apothecary gets any allowance, it should be shown separately under the appointment heading.

Medicines and Instruments. It is not understood why col.2 has been left blank. A sum of Rs. 421 was shown as expenditure up to October-vide page 55 of G.O.No.1122 Fin., dated 28-11-98.

24 D Municipal.

Apothecary. The actual expenditure up to 31-10-98 was shown as Rs.84 whereas the expenditure up to 31-12-98, as shown in the present Budget, is given as Rs.75. This requires explanation.

Servants. Provision is made at the rate of Rs.6 a month. The establishment list shows one maistri on Rs.10 a month. The Provision is insufficient if it is intended to refer to this maistri. House rent allowance. The Collector should have explained the entry under this head with reference to paragraph 2 of G.O.

No.1122 Fin., dated 28-11-98. The establishment list does not show any house rent.

3A Land Revenue.

Special District Officers. The authority for making provision for a plague allowance of Rs.100 a month for the Special Deputy Collector should be quoted. No allowance has been sanctioned yet and Mr. Marshall does not seem entitled to any, being a temporary Deputy Collector specially appointed for plague duty.

20 Police. The Collector does not explain why he proposes to omit the provision under this head. The Inspector-General of Police has applied for sanction to the entertainment of

Desmarchais
7/1/88
for Plague Commissioner.
