GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

Budget estimates under 15. POST OFFICE for 1900-1901 from the Postmaster-General, dated Madras, 20th September 1899, No. 24378.

Remarks.—By the transfer of certain remunerative District Post establishments to the Imperial Post with effect from 1st January 1899, a monthly saving of Rs. 260 was effected (*vide* G.O., No. 427, dated 21st March 1899). It was proposed to utilize this amount in the entertainment of some new District Post establishments with effect from 1st April 1899. But as it was then under contemplation to erect a building for the Gokaram District Post Branch Post office out of the District Post grant, the proposals were deferred and the amount required for the work had to be saved from April to August 1899. Government having subsequently decided that the cost of the building should be met from Imperial funds (*vide* G.O., No. 2250, dated 25th August 1899), the savings remained unutilized. Again, the temporary Postal establishments, entertained to serve officials on plague observation duty in the Districts of Bellary, Kurnool and Nilgiris, have all along been maintained from the District Post funds. The grant for plague establishments for 1899-1900 has not been utilized. Hence the decrease of cost of establishment shown under the head "Revised Estimate." A re-appropriation statement is separately submitted with this office No. ^{D.P. 8-69} 24171, dated 19th September 1899.

2. Besides the proposals already submitted to, and sanctioned by, Government since 1st August 1899, there are several others of a very important nature which are pending for want of funds. It is to meet some of these cases that a sum of Rs. 2,062 is shown under "Provision for revision and entertainment of additional establishments" in the Budget Estimate for 1900-1901.

3. The total grant asked for is the same as in the current year.

ORDER—No. 1060, Financial, dated 29th September 1899.

The estimates are accepted.
