VIZAGAPATAM COLLECTOR'S OFFICE,

Dated 15 August 1899.

FROM

W. O. HORNE, ESQ.,

Ag. Collector,

Vizagapatam District.

TO

SECRETARY TO GOVERNMENT,

Local and Municipal DEPARTMENT,

Madras.

Through the Accountant General

SIR,

The Accountant General in his letter no T. 143 Viz dated 14th July 1899 4.23 informs the District Medical and Sanitary Officer, Vizagapatam, that as J. Narsinga Rao a 3rd class Hospital Assistant was posted to plague duty at Vizianagram Railway Station from 15th April to 3rd May 1899, the charges on account of which are Provincial under G. O. no 615 Financial dated 17th May 1899, there is no objection to the payment of his salary for the period he was in transit from Provincial Funds. On the strength of the same Government order viz: G. O. no 615 dated 17th May 1899 and of the Accountant

General's circular letter No. T.A. General
153 dated 21st June 1899 issued in pursuance
of the terms of it, the Chairman Municipal
Council, Anakapalli requested me to
order payment to his Municipality from
Provincial Funds of a sum of Rs 384-11-1
being the total expenditure incurred by
it in connection with plague during
1898-99 while the Chairman Municipal
Council Vizagapatam has forwarded
through me a letter to the Accountant
General claiming refund from Provincial
Funds of the amount expended by his
Municipality on account of plague
during 1898-99. I replied to the former
that, as there is no such thing as a
Railway Inspection station in this district
as contemplated in original Municipal
Regulation 14, his Municipality must
bear the expenditure referred to in his
letter and I have forwarded the communication
of the latter to the Accountant General
with an endorsement to the effect that
the Railway inspection stations referred to
in G.O. No 615 Financial dated 17th May 1899
appear to be those contemplated in
original Municipal Regulation 14
and that there are none such in this District.

2. I have the honour, now, to enquire
if I am right in thinking that
Government order no 615. Financial
dated 17th May 1899 does not contemplate
Railway stations such as those of this
District viz: Visianagar, Vizagapatam
and Anakapalli which have never
been notified as Railway Inspection
stations and where observation of
rivals from infected areas is made
by officers employed by Municipal
Councils. If my interpretation of the
G.O. is correct the expenditure
referred to above will have to
be debited to "Municipal" and not
"Provincial" as opined by the Accountant
General, and the Circular of the
Accountant General also requires
to be amended. The early orders of
Government are solicited.

I have the honour to be
Sir

Your most obedient servant

The railway inspection stations referred to in f.o. No. 615 Tril dated 17th May/99 are those contemplated in original Muzassat Regulation No. 14. As there are no such railway inspection stations in the Vizagapatam District, the charges incurred in connection with the plaque at the Vizianagaram, Vizagapatam and Anakapalle railway stations should be debited to Municipal.
