PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following:-

Letter from the Presidency Port Officer, Madras, No.963/289 G, dated 29th August 1899:-

With reference to G.O. No.511 Marine, dated 10th June 1899, I have the honour to acquaint you, for the information of Government, that the Deputy Director, Royal Indian Marine, now states that he has no Steam Launches in stock, but that a 42 feet Admiralty Wooden Steam Pinnace copper bottom compound surface condensing Engines with outside condenser -- could be built at the Dockyard and delivered at Tuticorin for Rs.13,300 approximately, or say Rs.14,000 to provide for contingencies. The Port Officer states that a Pinnace of this description is well adapted for the service required of her and is preferable to an iron one on account of the rapidity with which the latter fouls in Tuticorin waters. I therefore recommend for consideration the grant ^{of} ~~for~~ a further sum of -- Rs.6,000 out of the allotment of Rs.25,000 for the Port Office and residence at Cochin, provided the whole of the latter --- amount is not required for expenditure this year.

ORDER thereon No.884 Marine dated 21st September 1899.

The proposal of the Presidency Port Officer to have a steam pinnace built at the Government Dockyards at a cost of Rs.14,000, instead of the steam cutter sanctioned in G.O. No. 511 Marine, dated 10th June 1899, for the use of the Port Officer, Tuticorin, is approved. The additional amount required, viz, Rs.6,000 will be provided under orders in the Financial Department by transfer from the grant in the Public Works budget of Excluded Local Funds of Rs.16,500 for the Port Officer's --

residence

residence at Cochin, on which it is certain there will be a saving.
