Madras Estimate for January 1899
from the Collector of Malabar.

Ref: on Cus. 280, 2/11-1-99

24-D. Provincial. The actuals of Rs 376, under "Miscellaneous" should have been explained as no such expenditure was shown in the previous estimates.

24-D. Local. The necessity for the large increase under Petty Construction and Repairs is not explained.

24-D. Municipal. The introduction of a special heading "Rent" and the provision thereunder should be explained. It is not clear why a provision of Rs 865 is made under unforeseen Charges; or why the grant under "Miscellaneous" is increased from Rs 474 to Rs 1749. In the absence of explanation the sanctioned estimate of Rs 474 seems sufficient.
